Homecoming scheduled – a weekend-long event

by Kim Fizer

This year's Homecoming will be a weekend event instead of just a dance in the gym after the basketball game. Beginning with the Lady Captains playing Lynchburg, the Homecoming Weekend, February 6-8, will conclude Sunday evening with a concert by Tommy Dorsey Orchestra.

Homecoming Court Presentation and Coronation will be Feb. 6 during halftime at the Captains vs. Methodist basketball game. Unlike previous Homecoming dances which were held in the Ratcliffe Gymnasium, the Warwick Yacht Club is the site for this year's semi-formal dance (men do not have to wear a tuxedo nor do the girls have to wear long formals). Admission to the dance is free.

A parade is scheduled for Saturday, February 7 tentatively. The route will be from Todd Stadium to CNC. A Pre-Game Party will be held at 6:00 p.m. in the Pub prior to the CNC-St. Andrews game. Afterwards, the Pub will be open to serve refreshments during a concert by Quietfire, a jazz trio. Tables will be arranged in the cafeteria to achieve a more "homey" effect.

Capping off the Homecoming Weekend is a concert in the CNC Theatre by the Tommy Dorsey Orchestra. Tickets will be sold to students on January 29 and 30 for \$6.00 per person in advance (limit two per person). On February 2 and 3, students, faculty, and staff will be able to purchase their tickets. Alumni can purchase their tickets February 4 and 5. The tickets are to be sold to the public February 6 through 8. The price at the door is \$7.00.

Greg Jackson, of the Campus Program

Board, explained the reason for the expanded Homecoming. "The alumni expressed a desire to get involved more with the school. There is a lack of activities that enable the alumni to participate. A semi-formal Homecoming may be the way to solve that."

The President of the Alumni Association and President Anderson participate in the coronation ceremony.

A door-busting crowd is not expected at the dance, but, Jackson adds, a large crowd is expected. Hopefully student participation will make Homecomings such as this year's an annual event.

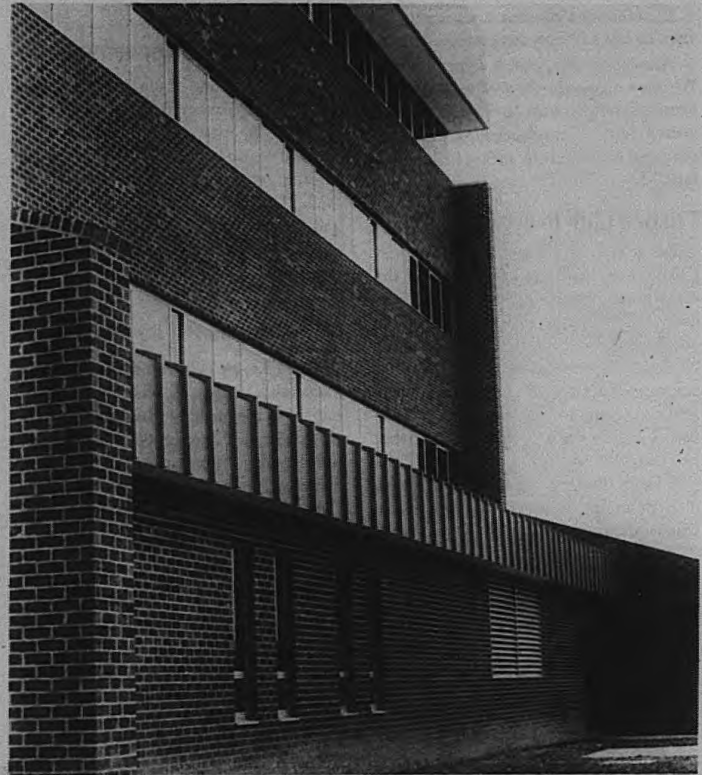

Nominations for Homecoming King and Queen must be turned into the Director of Student Life or Greg Jackson on or before January 29. For the court, each club is asked to nominate one male and one female to represent that club in the homecoming contest.

Add/Drop today

If you have to change a class or register, do it now. Today is the last day for Drop/Add and late registration.

Parking decals on sale

Parking decals are on sale daily until 10:00 p.m. through next week. Parking on campus requires a parking decal which may be purchased at the Campus Center Information Desk for \$1.50. Parking tickets will not be given until next week.

New administration building

New Administration Building is difficult to get around

by Patricia Nuckols

Many students are rapidly discovering that most CNC offices have moved to the new administration building which opened in December. Although the building is basically finished, it does lack one important thing: a directory.

If you need assistance in the Admissions Office, you will find it on the first floor of the new building. The only other office located on this floor is Veterans Affairs.

The second floor houses the Registrar's Office, the Business Office, and the Financial Aid Office. This floor was busy this week with lines of students changing classes, fixing schedules, and trying to resolve other problems. The Credit and Personnel Offices are also located on the second floor.

Need to find a professor? They are all located on the third floor. The professors' offices are divided into their respective departments, which usually can be located by the sign on the door. The Math, Science, and Psychology Departments have remained in Gosnold and Wingfield Halls. The best advice for finding your professor is to ask him where his office is located now or simply to ask directions from someone in the Administration Building. Directories will be placed relatively soon in the lobby and hallways.

The President's Suite can be found on the fourth floor, along with the Office of the Vice Presidents for Student Affairs and Financial Affairs. The Internal Audit Office, Continuing Education, and the Dean of Liberal Arts are also found on the first floor.

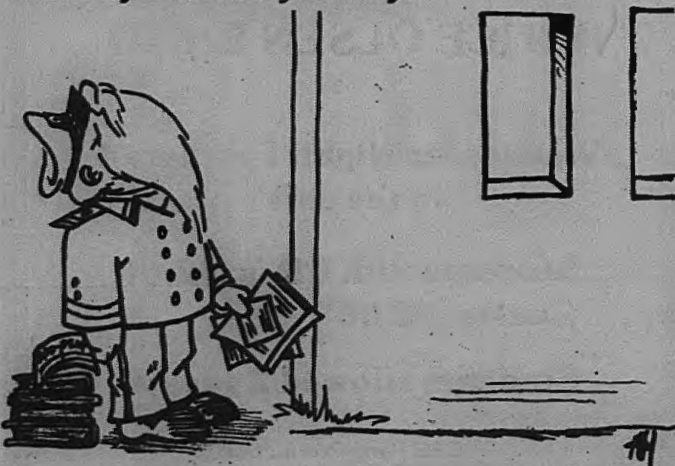

Workshops set for financial aid

There will be a Financial Aid Application Workshop for 1981-82 applicants on Tuesday, February 3, at 7:30 p.m. in Gosnold Hall, room 145. This workshop will be repeated on Wednesday, February 4, at 1:00 p.m., also in Gosnold 145. All students who think they may need financial assistance in 1981-82 are encouraged to attend one of the sessions. Parents are also invited.

1980-81 recipients will have been mailed application materials and are requested to bring these to the workshops. Application materials will be available to others at the sessions. Students are encouraged to familiarize themselves with these forms and instructions and to ask questions.

Students interested in applying for the BEOG for the current academic year should contact the Financial Aid Office in room 239 of the new administration building.

Which floor did you say?

Campus Close-Up

Sailing Club to meet

The first meeting of the semester for the Sailing Club will be held on Friday February 6, in CC-233, at 12 noon.

All interested persons are warmly invited to attend. You don't need a boat or experience to join, just a desire to sail. We have a growing fleet of sailboats and many qualified people to teach you if you want to learn. Experienced sailors are encouraged to attend our racing team meetings.

Frisbee Club to organize

There is a Frisbee Club forming at CNC. Bruce Oglesby has instigated the constitution, which will go before the Student Activities Executive Council at the next meeting and the Director of Student Life. Oglesby plans to help unite the Frisbee players of CNC. He intends further to introduce them to such activities as Frisbee Golf, Ultimate, Double Disk Court, and more.

A short meeting will be held Wednesday, February 3, at 12 noon at the entrance to the gym.

I.D. cards made

All students who need I.D. cards or have old ones which must be renewed can do so at the Information Desk in the Campus Center Tuesdays, Wednesdays, and Thursdays.

On Tuesdays and Thursdays, I.D.'s will be issued from 12 noon to 2:00 p.m. and

from 6:00 to 8:00 p.m. Hours on Wednesdays are 10:00 a.m. to 12 noon and 6:00 to 8:00 p.m. Proof of registration and a driver's license are required.

Student Senate convenes

The first meeting of the Student Senate will be on February 3, 1981, in Gosnold 145. The meeting will promptly at 12:15 and will conclude before 1:00 p.m. All returning senators are encouraged to attend. The Senate is open to all students, and we welcome visitors. The appointment of a new vice president will be on the agenda.

Alpha Kappa Psi holds coffees

Alpha Kappa Psi Professional Business Fraternity invites all business and MIS majors to the pledge coffees which will be held on Friday, January 30, at 12:00 noon, and Tuesday, February 3, at 12:15. Both affairs will be held upstairs in the Campus Center. Both men and women are welcome.

Deadline: Please note

The deadline for Campus Close-Up is the Friday preceding publication. Tomorrow is the deadline for articles to appear in next week's issue. Those submitted after deadline will be printed, space permitting, at the discretion of the editor.

Senate offers welcome

On behalf of the Student Senate, I would like to take this opportunity to welcome everyone back to CNC for another semester. It's time to dust the cobwebs off the mind and once again become productive. The alarm clock can no longer be ignored and reading lists will include more than just *Redbook* and *Playboy*.

Your time at CNC can be greatly enriched by becoming involved in your school. Even part-time and evening stu-

dents shouldn't feel left out, for you comprise a large percentage of the enrollment. We have clubs and organizations representing many varied interests and scheduled activities everyone can participate in.

The choice is yours. You can just attend college or you can get involved with your school. I hope you will choose the latter, for the rewards are many. Again welcome back.

SPORTS

Captains and Lady Captains are on the ball again

by David Bean

Everyone enjoys a vacation and from the way that the men and women fared during the Christmas holidays, it was a good break. During the break, the men compiled an 8-4 record, making their over-all ledger 10-7. The Captains played two overtime games, losing one to Eastern Mennonite, 78-72, and winning the

other, 76-75, against Averette at home. Interestingly, one of CNC's losses came at the hands of Bridgewater, which had been on a 15-game losing streak.

The men enjoyed far better success than the women did. The Lady Captains had a strange experience over the holidays. Last year, they had a much better

record, played with only seven players, and were in the process of breaking in a new coach. This year they have a first rate coach in Susan Walthall, depth on the bench and on the floor, and a lopsided record. A 3-6 record is nothing to be really ashamed of, but it does not warrant any horn-blowing.

However, the worst of it is now in the

past, as the Lady Captains really seem to have saved the best for last. While it may seem harder on them in the second half of the season, this is where they will play the likes of Lynchburg, Virginia Wesleyan, and Bridgewater. It looks as if the Captains and the Lady Captains are going to be hard to beat.
