## OFFICIAL ANNOUNCEMENTS

### Notice to Faculty

A number of the degree progress sheets contain an error in the social science distribution section. They list "HIST 101-102, HIST 201-202" rather than "HIST 101-102 OR HIST 201-202." Please be aware of this discrepancy when advising students. I have notified the Registrar of this problem.

-- R. J. Durel, Acting Dean  
School of Liberal Arts, Sciences,  
and Education

COMMITTEE INFORMATION & FACULTY BUSINESS

Faculty Advisory Committee

The FAC met with the College Handbook Committee on October 20 to provide input relative to sections concerning general personnel policies; policy on faculty leaves for illness disability or maternity; leaves of absence and faculty workload responsibilities.

The monthly meeting of FAC and Dr. Summerville with President Anderson was held on October 22. Topics of discussion were the program review process, academic reorganization, faculty salaries, and faculty morale.

At Dr. Summerville's request, FAC made recommendations concerning the composition of the search committee for the position of Director of the Library.
