PUBLISHED BI-WEEKLY BY THE OFFICE OF THE DEAN OF STUDENTS

December 9, 1968

Vol. 2, No. 6

DRESS REGULATIONS REVISED

Dean Windsor announced to the faculty on Monday, December 2, that the present dress regulations have been abolished and that a new statement concerning dress has been formulated. It is as follows:

"A student's dress and general appearance are considered to be a matter of personal taste; however, courtesy and a concern for the rights of others dictate that they be appropriate to the place and occasion. Students are expected to maintain standards of dress and comportment which are generally acceptable at the College and in the community."

The new statement leaves the matter of dress to student discretion as long as the rights of others in the College community are respected.

LIBRARY REGULATIONS REVISED

The Student Government Association wishes to express its pleasure at the smooth manner in which our requests in a recent open letter to the Administration were handled. Dress regulations were restated in accordance with our wishes, and library hours were extended to conform closely with our original request. The second floor of the library has been reopened for individual study for all CNC students, and an area has been provided on the first floor for group study. It should be pointed out at this time also that there are many classrooms available for group study at most any given time, and the use of these rooms may be arranged for by contacting Mr. McMurran or his secretary, Mrs. Angevine, in room G-201. A check-out desk will be installed at the exit door of the library, and details for supervision of this desk and the upstairs reading area are being negotiated with members of the library staff and the Library Committee.

SGA NEWS

CNC beer mugs, which were ordered in November, will arrive on December 13. They are clear glass "skol" mugs with the CNC emblem inscribed on the side. We have ordered 72 mugs, and each will be sold for \$2.50. Contact Charles Cook after the 13th for purchase of a mug.

Tickets for the Christmas Ball are now on sale for \$6.00 per couple.

"A Changing Liberia" was presented December 3 in G-101. The film was a substitute for the one which the company could not send. However, it did have some merit in that we can now trace the life of a rubber tree! The film was an excellent source of advertising for Firestone.

We are challenging TNCC to equal or better our contribution. Collection areas will be the Student Lounge and the SGA room - G-203. Please donate so we can give more than TNCC.

SOCK IT TO THE FACULTY, GIRLS!

The Women's Varsity Basketball Team, coached by the renowned Dr. Pugh, will attempt to sock it to the Men's Faculty Basketball Team on December 10 (Tuesday), at noon in the men's gym.

The faculty team is captained by the rip-roaring Mr. Wood. His team consists of Dr. Millar, Dean Windsor, Mr. Atwell, Mr. Pierce, Mr. Riley, and Dr. Hammer. These fellows are going to have to play ball by the women's rules; the referees, Coach Vaughan and Coach Hubbard, will make sure they do!

The student team has been practicing diligently and are now filled to the brim with force, spring, elasticity, vitality, stamina, nerve, intensity, strength, backbone, vim, mettle, pep, and vigor.

Come see this fantabulous game of wit and sinew for the minute price of 25¢.

TOYS WANTED

Christmas is a time for sharing, and in the spirit of sharing, the Newman Club is sponsoring a Toy Drive for underprivileged children in the Newport News-Hampton area. If you have old but usable and attractive toys in your home (when little brother isn't looking!), please bring them to school for this drive. Toys will be collected in the Gosnold foyer, the Newman office, and at the Christmas Lounge Party. Remember, even one toy may brighten the Christmas of several children!

NOTICE FROM THE VETERANS ADMINISTRATION

Many veteran students and other VA beneficiaries will commence Christmas vacation prior to receipt of educational allowance checks from the Veterans Administration. Therefore, these students should provide the local postmaster with a forwarding address. No change of address need be sent to the Roanoke VA Office unless a permanent change is involved.

A CHRISTMAS HAPPENING

Attention Students: On Friday, December 13, in the Student Lounge a Christmas Happening will take place. Come any time between 3:00 and 5:00 p.m. to help decorate a Christmas tree, sing, and eat free goodies. Newman members are requested to bring cookies, cupcakes, fudge, etc. to the Newman office on Friday for the party.

NOTICE

All student timesheets for college employed students must be turned in before noon, December 13, to Mr. McMurran, room G-201, in order to receive payment before the Christmas recess. The next pay period will not be until February 1.

TABLE TENNIS DOUBLES CHAMPIONS

The team of Chris Louis and Bill McGlaun defeated Mr. Riley and Coach Hubbard in a brutal and climactic championship match on December 5. The scores were 21-16 and 21-15. Mr. Riley stated that he had played the entire match under protest. His opponents well knew that, due to an injury received while patting himself on the back, he was not up to par. According to Mr. Riley, the agony was severe; but being a spartan type he was able to endure and said he will return another day under more favorable conditions; namely, other opponents.
