Attention College Community

Please continue to use all forms of College stationery/business cards currently acceptable until further notice. It is anticipated that the College will begin using a new form of stationery, etc. in 1989. Quantities should be limited when placing additional orders in anticipation of the change.

Also, as a reminder, on September 24 the College's three digit prefixes (591 and 599, including SCATS 535) will be replaced by one three digit prefix (594) for SCATS and Centrex.

NEWS AND GENERAL INFORMATION

National Faculty Exchange Deadline

The deadline to apply for participation in the National Faculty Exchange Program for 1989-90 is November 7, 1988. The application should be initiated about two weeks prior to the deadline in order to secure the necessary sign-offs. A Review of Exchange Opportunities for the current year will inform the prospective participant of the kinds of opportunities available in 1989-90. Faculty may wish to drop by to receive a copy, or call me at 7392 and I will send you one. There is also a list of preliminary applicants available for your perusal. This shows where some of the best possibilities lie.

Interested staff persons may contact the Director of Personnel. There is no deadline for staff "exchanges." More often than not, these are one-way and as short as two weeks in duration.

Faculty Exchange Opportunity

There is a strong possibility of a faculty exchange opportunity with Virginia Commonwealth University for the coming year, through the National Faculty Exchange.

A professor of Social Work at V.C.U. has indicated strong interest in coming here during 1989-90. On our side, Dean Durel states we will need assistance here in Social Work while Professor Stuckey is on educational leave.

The catch is this: we will probably need to send someone to V.C.U. next year, since normally an "exchange" must be two-way. Anyone interested in an exchange at V.C.U. should contact either Dean Durel or Dennis Ridley very soon. (The outgoing exchange faculty probably would not need to be from the same discipline as the incoming participant.)

Here is a unique chance to participate in an exchange and still be able to come home on weekends!

Asst. to VPAA

Teleconference: Assessment to Improve Student Learning

There will be a video teleconference on the subject of student assessment on October 7, 1988 from 1:45 - 4:30 p.m. in the Anderson Auditorium. Through the use of panel presentations and interactivity with academic viewers from coast to coast, discussion will focus on possible directions and strategies for collaborative assessment efforts." The presentation is jointly sponsored by the National Association of Student Personnel Administrators, the American College Personnel Association, and the American Association for Higher Education. Panelists include K. Patricia Cross, Gary R. Hanson, Pat Hutchings, Theodore Marchese, Charles Schroeder and Jacqueline Woods.

Automobile Accidents

I would like to extend a sincere thanks for your superior driving records this past fiscal year. The state cars assigned to CNC were driven a total of 18,445 miles with only two very minor accidents. I hope we are able to continue this excellent record during the current year. Please remember that it is to your advantage and to CNC for each of you to utilize a state car as often as possible when traveling on official business. Please call ext. 7035 to reserve a car.

Dean's Colloquia Presentation

The Dean William Parks Memorial Colloquia Committee is pleased to announce its first program of the year. On Monday, October 3, at noon in the Campus Center Theatre, Arthur Macy Cox, a Senior Fellow at the Brookings Institute, will present a talk entitled "The U.S. and U.S.S.R.: The Requirements for Stable Co-existence."

Cox, recently returned from six months in the Soviet Union, is the author of four books: The Dynamics of Detente, The Myths of National Security, Prospects for Peacekeeping, and the recently released Russian Roulette: The Superpower Game.

As we have done in the past years, our speaker's talk will be followed by a luncheon in his honor in the Campus Center Board Room. Mr. Cox will hold a question and answer open seminar at 2:00 in the Campus Center Board Room.

Given the credentials of our guest and the importance of his topic, we would appreciate the faculty making a maximum effort to encourage their students to attend and being in attendance themselves.

If you would like to join the committee in honoring Mr. Cox at the luncheon, please forward \$5 to me by Thursday, September 29, at the latest.

Department
Chairman, Dean's Col-
loquia Committee

Dr. Sang O. Park, representing the School of Business and Economics of Christopher Newport College, attended the Commonwealth of Virginia Seminar on East Asia: China, Japan, and Korea. The seminar was held August 1-13, 1988, and was co-sponsored by The College of William and Mary and the Governor's Office. The seminar was designed to build an understanding of East Asian cultures and to disseminate that knowledge to communities throughout the Commonwealth. Dr. Park was a participant in the culminating session on "The Future of Korean Trade in the United States."

Dr. Park was appointed by Dean Powell and Dean Hunter as the representative from CNC to the Virginia Consortium for Asian Studies.
