On a personal level, we very much appreciated the company of those involved, all of whom made these occasions enjoyable experiences for us.

Our thanks to:	Martin Bartelt	John Harwood	Doris Reppen

LIBRARY NEWS

Mrs. Linda Becker has resigned her position as Media Assistant in the Smith Library to accept the position of Librarian at Tabb Elementary School in York County effective November 15, 1976. Linda, whose personality and knowledge have made her a favorite with faculty, staff, and students, will be greatly missed, and we wish her the best of luck in her new venture.

The Library requests that faculty members bear with us until a replacement for Linda has been employed. During the interim period the Media Section will be staffed by other members of the Readers' Services Department. Since staff will not be available to schedule and deliver equipment at the last minute, it will be essential for faculty members to follow the media regulation of allowing three day's notice for equipment requests. We would appreciate your cooperation during this time.

NOTICES

Christmas and New Year's Leave

As previously published, the College will close at 5:00 P.M. December 22, 1976, and remain closed until 8:00 A.M. January 3, 1977. The only difference, at this time, is that classified employees will not be charged for four hours of annual leave on December 23, because Governor Godwin has authorized one-half day for New Years Eve, in addition to one-half day for Christmas Eve.

Change for Directory Assistance

The Business Office would like to remind all departments that CNC is now being charged for Directory Assistance service. We will be allowed six calls per month for each eight Centrex numbers. This is for in-state long distance calls as well as local service. Calls in excess of the allowance will cost 10¢ each. The Information Desk in the Administration Building has some out-of-town directories for reference purposes and extra copies of the local directory if needed.
