NEWS

Host Families
for Exchange
Students

Host families are now being sought for French and Spanish exchange students who will spend one month in the area this summer. These European teenagers have each had at least three academic years of English and range in age from 14 to 19. By sharing their lives with a youth from another country, family members will have a unique opportunity to learn about another country and culture by introducing America to someone new. Interested families should contact Lee Hubert at 229-6316 in Williamsburg.
