MEMO FROM THE REGISTRAR re EARLY REGISTRATION

Advisers are reminded that early registration will be held during the week of April 22-26. A list of advisees will be placed in your boxes around April 18. If you do not have records for any of your advisees, please contact Mrs. Mitchell, who will be happy to prepare them for you. If you have records for students no longer assigned to you, please return them to the Office of the Registrar.

Advisers are expected to review with each student his record to date and to assist him in planning his program. The adviser's signature is required on every registration form (except for unclassified part-time students). This signature indicates the adviser's approval of the student's program.

Please post office hours and sign-up sheets so that students can know when to find you. Also let the students know who can act for you if you cannot be available.
