Budget Committee meeting, Monday, 4 pm, W103

The Faculty Advisory Committee, after careful study, has recommended that no useful purpose would be served by the establishment of an Ad-Hoc Grievance Committee at this time. The Faculty Advisory Committee feels that it can adequately serve this function until such time as the new By-Laws are passed by the Faculty and subsequently approved by the Board of Visitors.

H.M.B.

The Ad-Hoc Committee on By-Laws has recommended that Division Chairman still serve a very useful purpose at Christopher Newport College at this time. Therefore, the Dean of Faculty requests that each Division should elect a Chairman at their next meeting to serve for the coming year and notify the Dean of the results.
