## Open auditions scheduled for Fall production

By Diana Dely  
staff writer

The CNC Theatre will be holding open auditions for *Cat On A Hot Tin Roof* by Tennessee Williams on Tuesday, September 3 and Wednesday, September 4. Auditions will be held in the Campus Center Theatre at 8 p.m. Five men ranging from early twenties to mid-sixties and three women in the same age range are needed.

*Cat On A Hot Tin Roof* is one of William's most popular plays. It opened in New York in 1955 and ran for 694 performances. It also brought the playwright his second Pulitzer prize.

The Broadway production, directed by Elia Kazan, included a cast of stars such as Burl Ives, Mildred Dunnock and Barbara

Bel Geddes. The play was also made into a movie starring Elizabeth Taylor and Paul Newman.

Performances at CNC are scheduled for October 25, 26, and November 1 and 2. Four special high school performances are scheduled on October 24, 25, 31 and November 1 at 10 a.m. The high school students will participate in an essay contest in connection with the play. The winning essay will be published in the spring.

The production will be directed by Dr. Bruno Koch. Henry Sparks will design the scenery and lighting, and Gwen Sharoff will design the costumes.

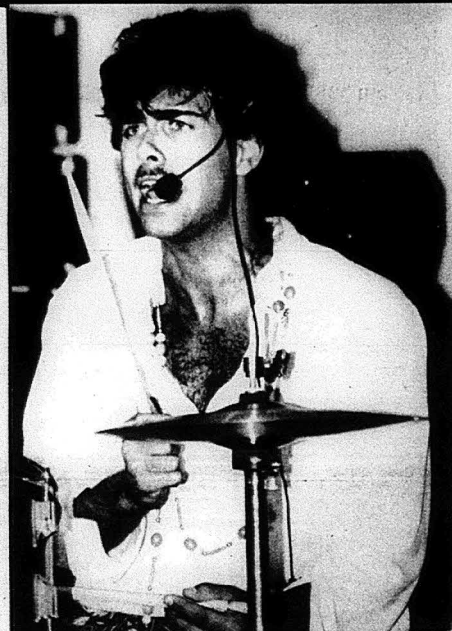

For information call 599-7088 or 595-1922.

## Valuable internship offered

The Peninsula Health District's Home Care Program would like to offer an internship to a junior or senior student in public relations, marketing or a related field of study. The student will help develop a campaign and strategies to promote home

health care services. Possible activities include developing a film or slide presentation, designing brochures and other promotional materials. Experience for this student as well as exposure to the workings of a state agency would be very valuable. They will

give assistance in evaluations and recommendations that could give the student possible credit and/or work experience reference. Please call Corinne Whitehead, R.N. at 599-7403 between 8 a.m.-5 p.m. for further information and discussion.

## Delta Sigma Theta

Omicron Tau Chapter of Delta Sigma Theta Sorority, Incorporated, has spent the summer planning and preparing for a productive year. On this year's agenda are a benefit basketball game with proceeds being donated to Sarah Bonwell Hudgins Center and a voter registration drive.

Other scheduled projects include participation in the Foster Grandparents drive, Fall Fest and a canned food drive to help the needy in our area.

Although the chapter is small, the seven members of Delta Sigma Theta plan to be active in the community and to make a positive impact on the CNC community.

## IVCF

College is often a time for real soul searching, and very often the faith and values we have learned as children seem to crumble under academic and peer pressure. We at Inter-Varsity Christian Fellowship believe that not only does God (and the Bible)

stand up under all criticism, but that He is relevant in today's society. We also believe that He is the only way to true inner peace and eternal life. If you are a disciple of Jesus Christ we invite you to come and grow with us. If you are not, we invite you

to come and see what we are about — even if you think that Christians are hypocrites, unrealistic, or whatever stereotypes you might have. Come and share in our fellowship together. We meet this semester in Newport 125, every Wednesday from 12-1 p.m.

## Spanish Club

The Spanish Club would like to welcome new and old students back for the new term. Once again new and exciting things are in store for the Spanish Club this fall. Some of the many activities the club will sponsor are:

1. A series of Spanish films and guest lecturers throughout the school year.
2. Weekly meetings where students will be able to practice their acquired classroom Spanish vocabulary skills.
3. Several trips to the exotic and adventurous countries of Spain and Mexico.

We welcome old members and encourage those who are interested in joining the Spanish Club to contact Professor Scheiderer in room 218 of Wingfield Hall for further information and details.
