Thank You

Dear CNU Friends,

Thank you for your kind words and wishes upon my retirement. I especially want to thank the library staff for the superb celebration that they hosted for me. It was a fine day made finer by your beautiful gifts, cards, and affection.

My years at CNU have been incredibly happy ones and I treasure my memories of them with you. CNU is a wonderful university and I wish all of you who are part of it the very best in the future.

Sincerely,

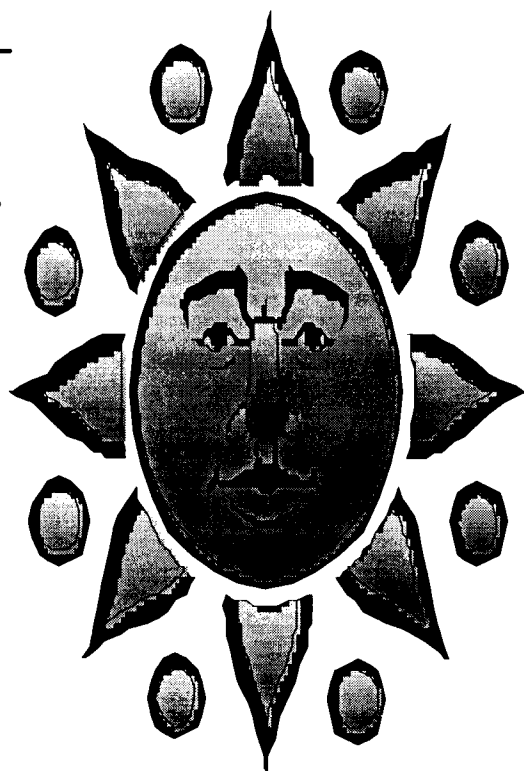

Mary H. Daniel

Faculty/Staff Activities

Dr. Harold J. Grau, of BCES, presented the paper "Possible evidence of non-random mating in cotton stainer insects (from St. Thomas VSVI)" at the 73rd annual meeting of the Virginia Academy of Science, May 23-26, VMI, Lexington, Virginia.

Peter Knipp, of Physics and Computer Science, recently received the Horsley Research Award ("The highest honor bestowed by the Virginia Academy of Science for original research") for his paper entitled "Coupling between electrons and acoustic phonons in quantum dots and other nanostructures."

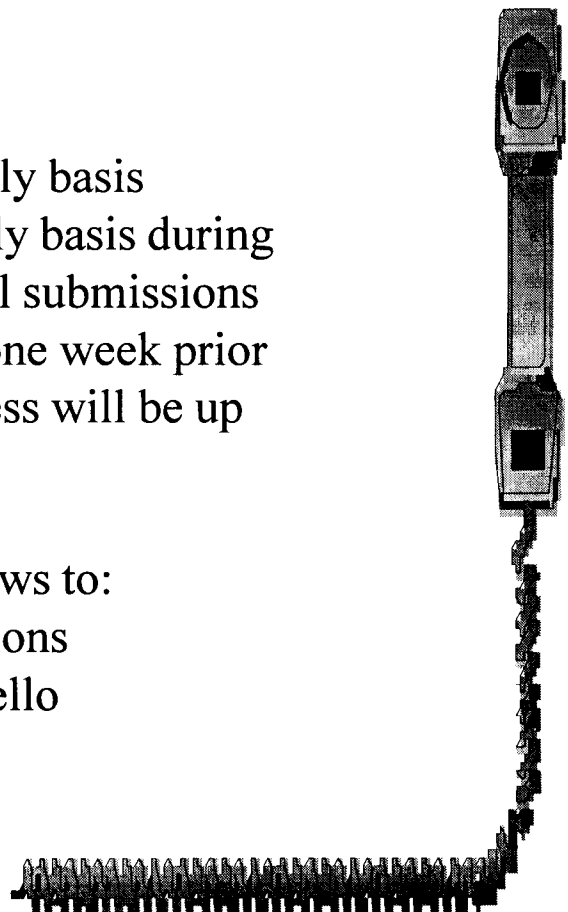

CNU Golden Olympian Wins Big

Golden Olympian: Max Koser, 90 CNU Mail Room, of Obrey Drive, Carrollton, competed in the 60 to 64 age bracket of the recent Golden Olympics held at the College of William and Mary.

He was awarded a silver medal in Three-On-Three Basketball, a bronze medal in Frisbee Throw, Shot Put, and Badminton Singles; and a fourth-place in Softball Hit and Throw and Basketball Foul Shooting.

The Chronicle is issued on a monthly basis throughout the summer and a bi-weekly basis during the academic year. Be sure to send all submissions to the Office of University Relations one week prior to distribution date. Our E-Mail address will be up soon for your convenience.
