CAFETERIA NEWS

I'm very excited about starting a new school year at CNC. Our Food Services has a new Director, Delories Drummond, and she has many new ideas.

At Christophers you can expect a new menu concept, the Full Meal Deal, which will include a meat entrée and two vegetable entrées for one low price. We will still offer entrées à la cart.

We are considering a fifty item food bar in Christophers this school year. There are many things to work out to make this possible. We are going to have to name it, for sure. Ideas are needed for the items you'd like to see in the bar. Share your ideas with us.

We wish to welcome all students, faculty and staff here in Christophers.
