CNC PRESIDENT HONORED FOR CONTRIBUTIONS TO EDUCATION

Christopher Newport College President Dr. Anthony R. Santoro will be honored today for his contributions to "excellence in education and community service" by the Italian-American Cultural Association of Virginia.

The association will recognize Doctor Santoro's achievements at an awards banquet in Richmond.

President of CNC since 1987, Doctor Santoro has led the college in a vigorous pursuit of academic excellence -- helping establish CNC as an institution of first choice among people seeking higher education.

"Even though I'm the one being recognized, this award truly belongs to everyone at CNC," said Doctor Santoro. "Without the hard work and dedication of every member of the college community, this honor would not have been possible."
