NEWS:

- Leadership Institute Beginning in September, the Leadership Institute of the Virginia Peninsula will be a nine-month program of approximately twelve day-long sessions. Previously the Leadership Institute met on 14 consecutive Wednesdays, January through April. We believe that the new format of fewer programs over a longer time span will make it more appealing to those with demanding schedules.

The Leadership Institute aims to inform and challenge the emerging leaders of the Peninsula by acquainting participants with the special needs and characteristics of our area. Class members
