Brauer
Professor

The Brauer Professor of Business and Economics award for 1989-90 has gone to Dr. H. Marshall Booker, as announced by President Santoro. This annual selection in honor of our first Rector, Harrol A. Brauer, goes to a school faculty member who has displayed a balance of strong teaching, service, professionalism, and a seminar proposal for delivery in Spring '89.

Marshall has been a previous Brauer Professor, and with his popularity among students, faculty, and the community is sure to carry on in the fine tradition of this distinguished professorship. Congratulations, Professor Booker!
