DEAN'S ANNOUNCEMENTS

Cooperative Pre-Engineering Program

Last week Christopher Newport College and Old Dominion University entered into an agreement enabling students who have completed a specified pre-engineering program at Christopher Newport College with a grade of C or better in each of their courses and who are admitted to the School of Engineering at Old Dominion University to receive full transfer credit for all CNC courses and begin as juniors in the School of Engineering at Old Dominion University.

GRANTS & FELLOWSHIPS

Women in Graduate Engineering Programs

The Business and Professional Women's Foundation, in cooperation with the Exxon Education Foundation, has established a revolving loan fund to assist women in obtaining graduate engineering degrees. Amounts up to \$2,000 per year will be lent. The loans are for master's level study at accredited universities. Application forms may be requested from the BPWF Foundation, 2012 Massachusetts Avenue, N.W., Washington, D.C. 20036. Deadline: April 20, 1976.

Andrew W. Mellon Faculty Fellowship in the Humanities

Harvard University has received a grant for a five-year program to support experienced young scholars and teachers in the humanities. Applications for appointments (5) in the first year's competition are due April 23, 1976, for academic year 1976-77. For academic year 1977-78, applications are due November 15, 1976. Applicants must have the Ph.D. and two years experience as teachers. Details as to application procedures are available in each humanities department and in Mrs. Neiman's office. Annual salary: \$12,500 plus fringe benefits.

City University of New York will inaugurate a similar program for 1976-77, with applications due May 1, 1976.

Oak Ridge National Laboratory Postdoctoral Fellowship Program

Established in honor of Eugene P. Wigner, this program will offer five two-year appointments each year, providing an opportunity for physical, social and life scientists no more than three years past the doctorate to gain experience in areas related to national energy problems and needs. Salaries fully competitive plus travel and relocation expenses. Candidates should write to: Office of Professional and University Relations, Oak Ridge National Laboratory, P. O. Box X, Oak Ridge, Tennessee 37830.

U.S. Department of Health, Education, and Welfare Fellows Program

This program will allow ten individuals to work for a year as special assistants to key officials in the Office of the Secretary of HEW, the Office of Education, Public Health Service, Social Security Administration. Applicants must be at least 25 years old, have had five years work experience, and be eligible for GS 11-15 rating. Women and minorities are especially encouraged to apply. For more information, contact Marguerite Mazique, Director of HEW Fellows Program, 330 Independence Ave., S.W., Washington, D.C. 20201; (202) 245-6087. Deadline: April 30, 1976.

Student Work Study Funds

The attention of all department Chairpersons and Office Chiefs is called to a new accounting procedure.

Beginning with the 1976-77 (1976-78 Biennium) fiscal year the 80% portion of the Work Study student wage expense will be charged directly to the departmental or office M & O Budget. The Federal funds to offset the 80% will be deposited with the State Comptroller monthly. In previous years the 80% portion was charged to a separate Work Study account and was thus never reflected in departmental records of expense. This change was directed by the Bureau of the Budget so that departmental costs would be more truly reflected in the record of expenses. This is an accounting procedure and should not change or modify your employment and use of Work Study students.

The 20% portion will be charged as before to the Virginia Scholarship and Loan Assistance for Students fund in the case of departments funded from State General fund monies. However, auxiliary and off campus activities will fund the 20% from their own fund sources.

CNC DECA Chapter Sweeps Competition

Newport News, Va., March 31, 1976--Local retailing students from Christopher Newport College attended the state DECA (Distributive Education Clubs of America) leadership conference at VPI & SU March 26-28 and swept eight out of nine first prizes in competition and too several seconds and thirds.

The sixteen retailing students from CNC who attended the DECA conference competed with students from several other colleges across the state. Besides taking first place awards in regular competition categories, the CNC chapter took first place for its efforts and contributions to the muscular dystrophy telethon and fund-raising drive. The chapter also took first place in the college division of DECA for its promotional "Come Home to Virginia" bicentennial button. Approximately 41,000 of the buttons developed by the Va. DECA have been sold. Two CNC students were also elected to DECA state offices for the coming year.
