## Official Announcements

### Faculty Meeting

The Instructional Faculty will meet at 3:00 p.m., Friday, March 4, 1988, in A-105. Committee chairmen and individual faculty members who wish to have items of business considered at this meeting will need to submit the substance of such items to this office for inclusion on the agenda no later than noon, Wednesday, February 24, 1988. It would be helpful to all concerned if all committee reports to be presented at this meeting were submitted for publication by this deadline as well.

Depending upon the length of the agenda, this meeting may require two sessions. If such should be the case, the second session will be held at 3:30 p.m., Monday, March 7, 1988, in A-105.

I ask that all members of the Instructional Faculty mark these times on their calendars now so as to keep conflicts to a minimum.

-- Vice President for Academic Affairs

## News and General Information

### National Marketing Week - February 14-19, 1988

The American Marketing Association of CNC will be sponsoring two guest speakers during National Marketing Week.

Tuesday, February 16 at 12:15 p.m. in the banquet room off of Christopher's Cindy S. Ferguson, Executive Vice President of WCMS Radio will speak on marketing in the broadcast industry. Cindy is a 1981 graduate of CNC and has been very successful in her career; therefore, she has also been requested to discuss the various positions she has held since graduation. Cindy was first hired as Personnel director/business manager with WCMS, then went into sales and was named Regional Sales Director, and most recently named Executive Vice President of the station.

Friday, February 19 at 12:00 p.m. in the banquet room Joe Flannagan of WVEC TV will be guest speaker. "Joe's jobs" will be one of the topics Joe will present. As Joe's personality speaks for itself, he is sure to be interesting and entertaining.

The AMA needs your support! We need good school participation and in order for that to occur, the students need to be informed. Please announce in your classes these events including where the speakers will be located. The AMA also invites faculty attendance. These speakers have graciously agreed to give their time to come to CNC, and the AMA would like a "full house" to show our gratitude.

Thank you.

### Volunteers Needed to Tutor English

Do you want to help a refugee child learn English?

If so, contact CONNECTIONS and volunteer to be an ESL (English as a Second Language) tutor.

No formal teaching background is required, just the ability to speak and read English. Two training sessions at the CONNECTIONS office provides the necessary training skills. Tutors are then matched with refugee students located near their home. Tutors must provide their own transportation to the child's home and must be willing to commit to a minimum of 2 hours a week for three months.

If you want to know more about tutoring and other volunteer opportunities with CONNECTIONS, call 473-0352, or write to: CONNECTIONS, 5690 Greenwich Road, Virginia Beach, VA 23462.
