The Business Manager requests that all department chairmen, or whomever they designate, be responsible for submitting the time sheets for the students employed by their department. These time sheets must be in the Business Office no later than the last working day of the month (November 30, 1976, at 5:00 P.M.)

Prompt submission by one person in each department is necessary to insure timely receipt of payroll checks. Pay checks will be distributed to the students December 15, 1976.

Christmas and New Year's Leave

As previously published, the College will close at 5:00 P.M. December 22, 1976, and remain closed until 8:00 A.M. January 3, 1977. The only difference, at this time, is that classified employees will not be charged for four hours of annual leave on December 23rd, because Governor Godwin has authorized one-half day for New Years Eve, in addition to one-half day for Christmas Eve.

Mr. Billie Millner, an attorney and member of the Board of Visitors, is chairman of the Board's Development Committee, and it is he who recruited Mr. Gentry. A number of "leadership" gifts from a few of our constituent populations will be sought prior to the kick-off of the campaign. It is hoped that both faculty and students will want to participate in the campaign, and each group will be approached "through channels."

DEANS' ANNOUNCEMENT

Departmental Budgets and Expenditures

Because of the tight financial condition of the College at the present time, it is necessary to cut back on academic and administrative department budgets. The Budget Committee, chaired by Dr. Bauer is at this time re-working the budgets of the academic departments to more accurately reflect monetary reality. These new budgets will be issued to department chairmen before the end of the month.

Until the revised budgets are received, no educational/laboratory equipment and only the most essential educational supplies should be ordered. In addition, it is requested that frugality be exercised in all other expenditures.

It is hoped that additional funds will become available next semester. If so, departmental budgets will be revised upwards.
