Theatre - A Thousand  
Clowns by Herb Gardner

SUNDAY - May 3

## OFFICIAL ANNOUNCEMENTS

### Faculty Exchange Program

In its continuing effort to have additional qualified members of minority races on its faculty, the College will be exploring the possibility of instituting a faculty exchange program for 1 year periods with Hampton Institute, Norfolk State University, Virginia State University or other predominantly Black institutions. Faculty members who are interested in participating in such an exchange program should notify the Vice President for Academic Affairs.

### Use of State Vehicles

Faculty and Staff who use State Pool Cars may obtain gasoline in any one of several ways. If while using a car you become aware that you need fuel, pull into a State Highway facility and use the "green" State credit card (in the plastic pocket located on the passenger side of the front seat). If you are unable to locate a State Highway facility, stop at any gas station and use the "white" State credit card also in the plastic pocket. If you are unable to do either of the above, buy the gasoline with "cash" (be sure to ask for receipt) and include it on your request for reimbursement or you may send the receipt with a letter to the State Motor Pool and ask for reimbursement from the Comptroller. The last procedure will mean that the charge will be to the State Motor Pool and not your department. Finally, maintenance personnel will fuel all State Pool cars at 7:30 A.M. and 4:30 P.M. daily if the vehicles are parked within the maintenance compound at the time. Therefore, to assist the next person who uses the car, and to avoid some of the emergency procedures above, please return the cars to maintenance area when you have finished with them. If the gate is locked simply park the car in front of the gate or at the curb adjacent to the gate.

Vice President for Financial Affairs

Fulbright Awards

I have received a listing of Fulbright lecturing and research awards involving overseas participation in a variety of academic and applied subdisciplines. Eligibility requirements include U.S. citizenship, postdoctoral college or university lecturing or research experience, and in some cases, proficiency in a foreign language. Application deadlines are June 1, 1981, for the American Republics, Australia, and New Zealand, and July 1, 1981, for Africa, Asia, and Europe. Please contact me if you are interested in reviewing these materials.

Sanford Lopater, W118A, Ext. 7098

Attention - CNC Faculty & Staff

It's hard to believe that only twelve people participated in the 1980 U.S. Savings Bond Payroll Savings Plan.

Whether you join or decline to participate--  
May make you a part of our country's fate  
Who can foresee what the future may hold--  
But U.S. savings bonds need to be sold.

Oh sure - you can expound  
More lucrative investments do abound  
Just remember - by your cooperation--  
We are sure to have a stronger nation.

Do your part--join the U.S. Savings Bond Payroll Savings Plan--say yes!

Dave Spahr, Internal Auditor

FACULTY/STAFF NEWS

Jay Paul delivered a paper entitled "The American Poet's Confrontation with Nazi Violence" at the Virginia Humanities Conference. He was elected Delegate-at-Large, which means he will be involved in planning future conferences.

\* \* \* \* \*

Alice Randall presented a paper, "Reading History," based on her planning research and experience in teaching the CNC Basic Studies course for students enrolled in History 101, at the national Spring Conference sponsored by the University Counseling Services of VPI on April 2. The paper has been published in the Conference Proceedings.

\* \* \* \* \*

On April 14, Dean Algin B. King, School of Business and Economics, served as a consultant to the Peninsula Planning District Commission. He spoke to a group of city planners and managers in the Newport News/Hampton SMSA. That evening he spoke to the

Peninsula Traffic Club. The topic of the address was "The Peninsula's economy and the time table for economic recovery on the national scene."

Dean King had two papers accepted for presentation at the Midwest American Institute for Decision Sciences Annual Meeting in Detroit on Friday, April 17. The papers were: "The Failure of a Product to Achieve Reasonable Market Penetration: The Video Tape Recorder - A Case Study," and "Changes in Automotive Consumption Patterns During a Three-Year Period, 1977-1980: Implications for Marketing Strategies."
