#### National Faculty Exchange Deadline

The deadline to apply for participation in the National Faculty Exchange Program for 1989-90 is November 7, 1988. The application should be initiated about two weeks prior to the deadline in order to secure the necessary sign-offs. A Review of Exchange Opportunities for the current year will inform the prospective participant of the kinds of opportunities available in 1989-90. Faculty may wish to drop by to receive a copy, or call me at 7392 and I will send you one. There is also a list of preliminary applicants available for your perusal. This shows where some of the best possibilities lie.

Interested staff persons may contact the Director of Personnel. There is no deadline for staff "exchanges". More often than not, these are one-way and as short as two weeks in duration.

-- Dennis R. Ridley  
Asst. to VPAA

#### Ford Foundation Fellowships for Minorities

Information has arrived at the Office of the VPAA regarding Ford Foundation Postdoctoral Fellowships, and Predoctoral and Dissertation Fellowships, for minorities. The closing date for application is November 14, 1988. Anyone interested in reviewing this information should contact me at 7392.

## CHRISTOPHER NEWPORT SCHOLARS -- OPTIONS FOR MATURE STUDENTS

Before Susan McLaurin became a Christopher Newport Scholar this summer, she could not incorporate enough business courses in her art major to meet her goal--one day to open a gallery.

With the guidance of her advisor, Professor Jon Petruchyk, McLaurin fashioned an individualized curriculum and received the Honors Council's approval.

Now she can count Market Management (BUSN 450) and Market Theory & Analysis (BUSN 311) as well as courses in Crafts (FNAR 389), Sculpture (FNAR 351), and Etching (FNAR 395NTP) toward her major. In addition, she is exempt from other remaining curricular requirements.

She joins two other current students--Bonnie Daniel and Carol Newman--as Christopher Newport Scholars, a program designed for mature students who have proven their academic excellence.

To apply, one must submit a proposal to the Honors Council, making sure to distinguish his or her aims from those served by existing majors.

To be eligible, one must have a GPA of at least 3.5 and have earned about 75 hours. See page 133 of the current Catalog for more information.

Contact Dr. Jay Paul, McMurran 206, for assistance in preparing a proposal.

## Publicity Coverage

A reminder to all faculty and staff. If you feel your department or office will need publicity coverage of any type for an upcoming event, please let the Office of Public Relations contact the appropriate media (television and/or newspaper reporter) for you.

If you are contacted directly by a television or newspaper reporter without our awareness, please notify our office

immediately. This will insure that appropriate measures will be taken to record any television coverage, or to be aware of a feature appearing in the DAILY PRESS, DENBIGH GAZETTE, etc.

Should a reporter call our office for information, we may direct that reporter to the best suited person for that topic. When and if this occurs, your office will be contacted.
