### **ANNOUNCEMENTS**

### Paychecks for Hourly Wages

At the present time, Teaching & Research Personnel and Classified Personnel are paid on the 1st and 16th of each month with the students receiving their pay on the 15th. The Hourly Personnel have been receiving their paychecks upon receipt by the College, i.e., after the payroll has been processed for work done by the 15th and 30th, and mailed to Richmond, paychecks are mailed back to the College. Since the time of receipt of hourly payroll checks varies considerably, and numerous hourly employees have complained asking for a fixed payroll date, I have decided that hourly payroll checks will be distributed on the 15th and 1st of each month beginning March 1.

President James C. Windsor

### DEANS' ANNOUNCEMENTS

### Dean William Parks Memorial Colloquia Series

The attendance by faculty members at recent presentations in the Dean William Parks Memorial Colloquia series has been very disappointing. The very sparse audience present last month for the address given by Dr. Nathan Wright, a visiting scholar from SUNY, Albany, was an embarrassment. It is hoped that more interest will be shown on Thursday, 1 March, when Professor Zane L. Miller of the University of Cincinnati will discuss "Bosses, Machines, and the Urban Political Process" at 12:15 in the Campus Theater.

Professor Miller will reassess the traditional view of bosses and reformers in American urban politics by presenting an alternative framework for the history of urban politics. He will also discuss recent developments in urban politics, and attempt to place the contemporary metropolis in historical perspective.

Miller was born in Lima, Ohio, and educated at Miami University (Ohio) and the University of Chicago. An urban historian, he has published numerous articles, reviews, and essays, along with several books. His books include Boss Cox's Cincinnati (1968), The Urbanization of Modern America (1973), and a new book on the history of Forest Park, Ohio, a new town in Cincinnati's northern suburbs. He has taught at Northwestern as well as Cincinnati, and has lectured at the University of North Carolina, Chicago, and Harvard. His awards include grants and fellowships from the National Science Foundation, the National Endowment for the Humanities, the Newberry Library in Chicago, and the University of Chicago. He has been active in precinct, ward, city, and county politics, and currently sits on Cincinnati's Architectural Board of Review and Urban Conservation Task Force.

### PLEASE READ CAREFULLY

1. No final exams will be given during the last week of classes.

Students are required to take all of their examinations at the time scheduled, except: a. Where conflicts occur

b. For illness

3. Applications for individual changes in the schedule should be made through the Office of the Registrar by May 4, 1979. All applications must be approved by the instructor.

4. Any student who is absent from an examination because of illness or other emergency situation should notify the Office of the Registrar. That office will in turn notify each instructor of the communication.

5. No excuse on the grounds of illness will be accepted unless it is certified in writing by a physician. This excuse should be processed through the Office of the Registrar.

### OF ACADEMIC INTEREST

### Call for Faculty Papers

Interested faculty members from <u>all</u> disciplines who are interested in producing a short paper (approx. 1000 words max.) on any aspect of Renaissance thought, life, history, society, culture, commerce, science, etc. are invited to submit a written proposal to either Dr. Hines or Dr. Mazzarella by 16 March at the latest. If the response warrants, a symposium of papers will be published for the CNC community.

\* \* \* \*

### Call for Student Papers

Faculty members are asked to announce to their students that short papers, designed to be read aloud, and occupying no more than 13 minutes max., on any aspect of Renaissance thought, life, history, society, culture, commerce, science, etc., are being solicited by Drs. Hines and Mazzarella. The top papers will be awarded small scholarship prizes and the students producing them will be asked to formally read their papers before a CNC audience during Renaissance Week (27-28 April). Deadline for written student proposals is 16 March. We urge the faculty to encourage their students in this endeavor.

### ANNOUNCEMENTS

### 1978-79 Annual Fund

Dr. Stephen Sanderlin and Mrs. Webber Casey have been named Chairmen of the Faculty/Staff division of the CNC Annual Fund once again. A letter to all faculty and staff over their signatures will soon be in the mail to all. The Faculty/Staff goal for this year is \$7,500, of which \$1,213 is already in hand. Although the goal seems high, the entire fund drive this year is based on an increase of effort on the part of all, and a new object for funds, "Endowment," has been added to the campaign. Following are the complete fund goals:

### ADMISSIONS OFFICE

### Reception for New Students

The Admissions Office is now finalizing arrangements for the annual reception for newly-admitted Classified students.

The program is planned for the evening of Wednesday, March 14, 7:30-9:00 P.M. The program will be held in the Campus Center Theatre with refreshments to be served immediately after on the second floor.

All members of the CNC faculty and staff are cordially invited to join us and take this opportunity to meet our new students and their families.
