NOTICES

Letter of Thanks

The following communication was recently received from Mrs. William Parks.

"We will never be able to express our gratitude to CNC for all the kindness and love shown to the William Parks Family.

The Memorial Service held at the College was beautiful and will always be remembered. It was wonderful seeing so many there at the service in his memory.

The "In Memorium" the Board of Visitors bestowed on Bill was very appreciated, saying so many gracious things about him and words of comfort to us.

Also, we are very proud that CNC has named the "Dean William Parks Colloquia" after Bill. We are sure he would feel honored, just as we do.

As we cannot possibly thank everyone in person for the deep concern that they have shown to Billy, we want to take this opportunity to say thank you to the many who have contributed to his Scholarship Fund.

It was Bill's one goal to see that our son went to college; now with your generous help and support, his dream is a step closer to reality.

Many thanks to all,

The Parks Family
