MEMORANDUM to the Faculty

..... From T. Musial

In order to facilitate arrangements for meeting the wish of the Faculty that future Faculty Meetings take place at a more suitable hour than 3:00 on Fridays, and in order to provide an opportunity for growing numbers of campus lectures, films, fine arts performances, departmental meetings, committee meetings, and the like, I have asked Dean Edwards and Mrs. Pillow to schedule all MWF 1:00 classes at 1:30, in effect moving all afternoon classes back a half hour to permit adequate meeting/convocation time during the noon hour. The schedule change will be tried for one semester. If it proves to be unsatisfactory, appropriate changes will be made.

The following invitation will be of interest to those interested in Virginia's Corrections System:

The Junior League of Hampton Roads, Inc.,

The Junior League of Hampton Roads is most fortunate in having as guest speaker for its April meeting Mr. Ira M. Schwartz, Executive Director of the John Howard Association. The meeting will be held April 3, 1974 at 8:15 p.m. in the Sheraton Inn-Coliseum.

The John Howard Association has been contracted by the Virginia State Crime Commission and the Virginia Advisory Legislative Council to conduct a study of the entire juvenile and adult justice system in the State. The study includes an assessment of law enforcement, probation, diversion, detention, institution and after-care service for adult and juvenile offenders. The final report was submitted to the State Crime Commission on March 5, 1974.

The impact of the John Howard Association report has received attention throughout the State and the Junior League feels that Mr. Schwartz's visit to our community is most timely. As an involved citizen, we know of your concern and interest in this area, and cordially invite you to attend.

(Signed) Diane C. James
(Mrs. E. Ralph, Jr.)
President.
