Official Announcements

Summer Addresses

I ask that all faculty (both instructional and administrative) in the Division of Academic Affairs please keep me apprised of any temporary addresses and their dates of applicability for the summer months. As each of you knows, it is sometimes very important for my office to be able to contact you in the summer, and that requires that accurate addresses be on file here. If you have moved within the past year, please make sure that we have your new address. If and when it becomes necessary to communicate in the summer we will make every reasonable effort to make contact; but in the final analysis, if you have not provided the College the means necessary to contact you, then the College cannot be responsible for the consequences of the resulting failure. If you believe there may be any problems in this regard with your own circumstances, please give me a call so that we can resolve them before summer is upon us.

-- Vice President for Academic Affairs

Thank You!

On Thursday last, the Association for Retarded Citizens/Greater Williamsburg held a very successful pancake supper and raffle. Our success was due in part to the many at CNC who purchased pancake supper tickets and/or raffle tickets. So, we thank you and the persons with mental retardation in the Williamsburg area whom we serve will thank you all year.

-- Gary Hammer, President ARC/GW

Committee Reports

Committee Memberships

This edition of the Chronicle includes a listing of memberships on the several academic and faculty affairs committees of the College for the coming year. These memberships are effective at the close of spring commencement and will stay in effect until the close of spring commencement, 1989. Because of the late dates at which some seats were filled, it has not been possible this spring to hold elections for officers of those committees with elected memberships. We will do this instead during the week before fall classes start in August. In the unlikely event that one of these committees must be called into session this summer, I will designate a convenor and officers can be elected at that time.
