March Faculty Meeting

The March meeting of the Instructional Faculty will commence at 3:00 p.m., Friday, March 29, 1985, in A-105. Committee chairmen and individual faculty members who wish to place items of business on the agenda for consideration must submit the substance of such items to this office no later than noon, Wednesday, March 20, 1985. The agenda will be published in the Chronicle of March 22, 1985.

Following adjournment, Professor Fellowes will discuss the 403(b) tax shelter annuity program with those who have expressed interest in this matter.

As is the case with all meetings of the Instructional Faculty, all other members of the academic community are welcome to attend as observers.

International Youth Exchange Program

Application forms and information about the Virginia Lions Club Youth Exchange are available in the Office of Counseling and Career Services. Young men and women between the ages of 16 and 21 will, after an escorted tour of Paris, join Lions members' host families in one of several European countries, South America, Japan, Peru or Australia for 4-5 weeks in July and August. The professionally planned and conducted program offers the opportunity for young people to represent the United States, while making new friendships and learning the languages and customs of other cultures.

Expected costs, including air and ground transportation as well as the tour of Paris, are approximately \$1,200 - 1,300. A \$25.00 non-refundable fee must accompany the application. Applications must be received by April 1. Early applicants will have a wider selection of host countries.

Host families are also being sought by the Lions of Virginia. Please contact Mr. Charles B. Levitin at 622-7913 (W) or 623-2349 (H) if you are interested in sponsoring an applicant from another country.
