Utilization of Equipment and Tools from the Building & Grounds Department

Increasing losses of equipment and tools borrowed from the Buildings and Grounds Department have caused an unjustified expense and delay in accomplishing our mission.

Effective immediately, equipment or tools shall be loaned only if approved by the Supervisor of Buildings and Grounds, Maintenance Supervisor, or Grounds Foreman. Items to be placed on loan shall be documented on a hand receipt and signed for by an authorized representative of the borrowing department. The most expedited method shall be used to replace lost items, including charge-back of replacements to the borrowing department.

Certain items may not be loaned, e.g. electric extension cords and power tools.

College Status Change

The College has received a draft of the report of the Status-Change Visiting Committee which was on campus in December. Copies of this draft are now in the possession of the members of the Status-Change Steering Committee (Daly, Doerries, Durel, King, Papageorge, Powell, Summerville) and on reserve in the Captain John Smith Library. Council will act on the College's proposal at its December meeting.

COMMITTEE INFORMATION & FACULTY BUSINESS

Handbook Draft

The Committee plans to have a campus wide distribution on November 28 of its draft of chapters 1-7.

On December 5 and 6 it will hold open meetings (2-5 pm, A105). The format of these meetings will be to consider the draft chapter by chapter starting at 2 pm each day. Please write out your suggestions for the committee. Jack Anderson and the Board have asked for all minority reports, and the committee plans to forward those not incorporated into the committee's final draft.
