Vol. 1, No. 13

April 28, 1972

The Curriculum Committee determined at its most recent meeting on Wednesday, April 26, 1972 that it has concluded all investigation and consideration of course proposals and programs for this academic year. The committee will meet only once more this semester to receive its sub-committee reports. Please be notified that the committee would like to receive by October 15, 1972, any course or program proposals for their consideration during the 1972-1973 academic year.

The Committee has requested a special meeting of the faculty to attend to academic proposals still remaining in its files. The Agenda and pertinent information will be issued separately by the Office of the Dean of the Faculty.
