National Endowment for the Humanities - Summer Stipends

Christopher Newport College is eligible to nominate as many as three members of its faculty to be recipients of \$3,000 stipends from NEH in the summer of 1984. General information on this matter is now available in the VPAA's Office; the College's applications must be received by NEH no later than 10/1/83. Application materials should be available from the VPAA no later than September 8, 1983. Interested members of the faculty are invited to review available information now and pick up application materials as soon as they are available. Inasmuch as some internal screening of applications may be necessary, applications must be received by the applicant's dean no later than the close of the working day, Thursday, September 22. Awards will be announced in mid-March, 1984.

Student Book Loans

Newport News Educators' Credit Union has begun offering Book Loans to students in amounts of between \$100 and \$150. Repayment may take no longer than the current semester for which the books were purchased, and the student must be a member of the credit union to apply. Membership is obtained by depositing \$5.00 into a savings account. The credit union is located just 2 miles from campus, and is open all day, every day. For more information, contact the credit union.

Dick Guthrie received word in July that all 10 students from CNC who took the test

Zertifikat Deutsch als Fremdsprache (Certificate in German as a Foreign Language) administered at O.D.U. in April by a representative of the cultural attaché to the German embassy, successfully passed the examination.

The examination tested the student's aural, written, and oral proficiency in German. Since this examination is sponsored by the Federal Republic of Germany, it aids the native German employer, etc., in determining the capability of the foreigner to handle himself in the German language. This examination is given periodically throughout the world.

The 10 students are: Kathryn Woner, Georgin Schrock, Christopher Hawk, Terry Van Dover, Sharon Garrison, Kendall Kellam, Susan Turner, Lena Davis, Scott Kennedy, and, Kelly White.

At the 17th World Congress of Philosophy in Montreal, John Hoaglund read a paper "Unchaining Prometheus" on August 25.

COMMITTEE INFORMATION & FACULTY BUSINESS

Curriculum Committee

At its August 24, 1983 organizational meeting, the Curriculum Committee chose Tim Morgan as Chairman, Mary Lu Royall as Vice Chairman, and Dick Hunter as Secretary. The Committee reviewed business left over from last year, set the date of October 14, 1983, as deadline for submission of new courses for the spring semester, and discussed implications for the Committee of this year's agenda. New members were welcomed and put right to work.
