The Faculty-Library Coordinators met on October 8th and 22nd to review departmental requests for new periodical subscriptions. Of the 23 requests made, 15 were approved, 7 were rejected, and at the request of one department, one subscription was terminated. In addition, the coordinators endorsed a review of newspapers, which had been prepared by Arlene Kent, Mary Thomas, and Floyd Zula, Smith Library staff members. Eleven additional daily or weekly newspapers will be added to the library to increase local, regional, and world representation in newspaper coverage.

NEWS & GENERAL INFORMATION

President's Notes

A ceremony was held in the Campus Center Board Room on Tuesday, October 21, 1980 to celebrate and commemorate on campus the hooding of Mr. and Mrs. Nicholas M. Mathews as the second and third recipients of the Christopher Newport College honorary Doctoral Degrees.

An aerial photograph of the campus, framed and inscribed was also presented to them.

An unexpected gift from the Mathews of \$10,000.00 was given to the College. It will be used as part of the growing Endowment Fund, the interest from which over the years will go to serve worthy College purposes.

We are deeply appreciative of Nick and Mary's interest and support of Christopher Newport College.
