Official Announcements

Faculty Meeting

The Instructional Faculty will meet at 3:00 p.m., Friday, April 22, 1988, in M-125. Committee chairmen and individual faculty members who wish to have items of business considered at this meeting will need to submit the substance of such items to this office for inclusion on the agenda no later than noon, Wednesday, April 13, 1988. It would be helpful to all concerned if all committee reports to be presented at this meeting were submitted for publication by this deadline as well.

Depending upon the length of the agenda, this meeting may require two sessions. If such should be the case, the second session will be held at 3:30 p.m., Monday, April 25, 1988, in A-105.

I ask that all members of the Instructional Faculty mark these times on their calendars now so as to keep conflicts to a minimum.
