## April Faculty Meeting

The Instructional Faculty will meet at 3:00 P.M., Friday, April 24, 1987, in A-105. Committee chairmen and individual faculty members who wish to have items of business considered at this meeting must submit the substance of such items to this office for inclusion on the agenda no later than noon, Wednesday, April 15, 1987. It would be helpful to all concerned if all committee reports to be prepared at this meeting were submitted for publication by this deadline as well. It is my hope that this will be the last meeting of the Instructional Faculty of the 1986-1987 academic year.

The agenda will be published in the Chronicle of April 17, 1987.

## Summer Addresses

I ask that all faculty (both instructional and administrative) in the Division of Academic Affairs please keep me apprised of any temporary addresses and their dates of applicability for the summer months. As each of you knows, it is sometimes very important for my office to be able to contact you in the summer, and that requires that accurate addresses be on file here. If you have moved within the past year, please make sure that we have your new address. If and when it becomes necessary to communicate in the summer we will make every reasonable effort to make contact; but in the final analysis, if you have not provided the College the means necessary to contact you, then the College cannot be responsible for the consequences of the resulting failure. If you believe there may be any problems in this regard with your own circumstances, please give me a call so that we can resolve them before summer is upon us.

Since last Fall the English Department at Bruton High School (York County) has been expanding the amount of time given to the reading and writing poetry in its curriculum. As the culmination of this project, Jay Paul conducted workshops on writing poetry with three groups of students, seventy-five in all, on Thursday, March 19, and again on Tuesday, March 24. These visits, along with a day-long workshop for members of the Bruton English Department in November, were sponsored by the Virginia Center for the Creative Arts.
