OFFICIAL ANNOUNCEMENTS

Instruction Evaluation Surveys

Consistent with the recommendation of the Faculty Senate, Instruction Evaluation Surveys (IES) will be administered this semester, as last semester, during the 11th and 12th weeks of classes rather than the 13th and 14th weeks. Accordingly, all instructors are alerted to look for the IES materials (memorandum and labelled envelopes with proctors' instructions) to be distributed on the afternoon of Friday, March 31. Evaluations should be conducted during the weeks beginning on April 3 and April 10. Please mark these dates on your calendar.

Alpha Chi Induction

We invite all faculty to attend the annual Alpha Chi induction on Sunday, April 2, at 2 p.m. in the Terrace.

Alpha Chi is campus-wide honor society at Christopher Newport College. Inductees come from all majors, and many of them have invited family and friends to attend.

Your presence at the induction and reception immediately afterward would demonstrate your support of several dozen outstanding students and would also allow you to meet many guests of the College. The program should last no more than two hours. Please consider fitting it into your schedule.

Attention: Microcomputer Users

Because of the onset of warm weather and high humidities, the hard disk in your PC can be affected. Here are a few tips to help you avoid any heat-related problems: Be sure that the area around your computer is not cluttered with books, papers and other objects which could reduce the ventilation needed to cool the internal parts of your computers. Store your flexible discs in a cool, dry place away from any sources of heat and out of direct sunlight. Back up your hard disk and store the backup copies in a cool, safe place just in case the worst happens and you lose data from your hard disk.

If you need any help in backing up your system, please contact the Computer Center at 4-7180.

COMMITTEE REPORTS AND FACULTY BUSINESSNotice of Senate Meeting

The Faculty Senate has scheduled its next meeting for Friday, April 7th (2:00 pm, in CC214) instead of April 21. The reason for the changed meeting time is to allow the Senate to meet catalog change deadlines for those items which, if passed, would require changes in the next catalog. Curricular matters, including the foreign language proposal for B.S. degrees, and new courses and programs will be considered at this meeting, as will a recommendation from the Academic Status Committee to change the deadline for making up incompletes to mid-term of the following semester.

Also, the Faculty is reminded that the Spring meeting of the full faculty is scheduled for 3:00 pm on Friday, April 21st, in A105. Among other matters, the agenda for this meeting includes certification of graduates, a retirement ceremony for Vice President Eagle, and a briefing on schematics for the proposed dorm facilities.
