## *Faculty, Staff, and Student News*

George Teschner co-authored with Frank McClusky an account of "Conference '87 on Critical Thinking" in the Sep./Oct. 1987 issue of Teaching Thinking & Problem Solving, pp. 4-6.

At the annual meeting of the American Philosophical Association, Eastern Division, Teschner and McClusky read a paper "Deconstructing the First Amendment: Philosophical Presuppositions for the City in Speech" for the Society for Systematic Philosophy on Dec. 28, in New York.
