Dean's Colloquia Presentation

The Dean's Colloquia Committee, in conjunction with the 25th Anniversary Committee, is pleased to announce its third lecture of the year. On Wednesday, December 3, at noon in Anderson Auditorium, Dr. Gordon Davies of SCHEV will address the faculty and student body.

Dr. Davies will discuss the subject he introduced to the faculty two months ago: the steps CNC might take to assure its place in the state's higher education system.

As usual, we will honor our speaker with a luncheon in the Campus Center after his talk. Members of the faculty wishing to attend the luncheon should make their reservations with me by Tuesday, December 2, at the latest.

Please make it a point to be at Dr. Davies' talk and urge your students to do likewise.
