DEDICATION . . .

As professor, counselor, and friend Dr. Ruth K. Mulliken has assisted and directed us in many ways to become better representatives of our community.

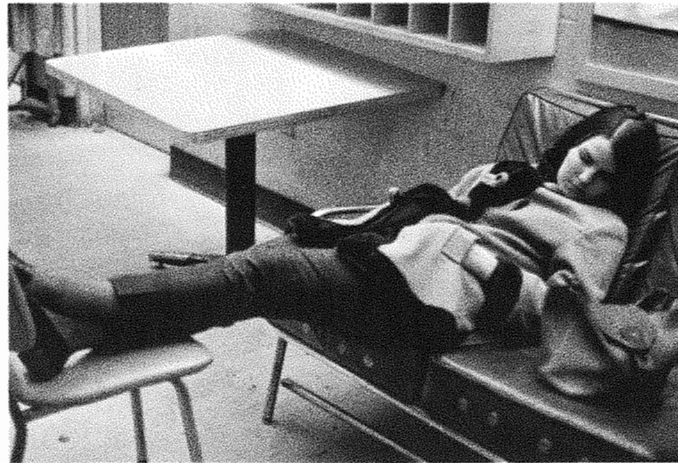

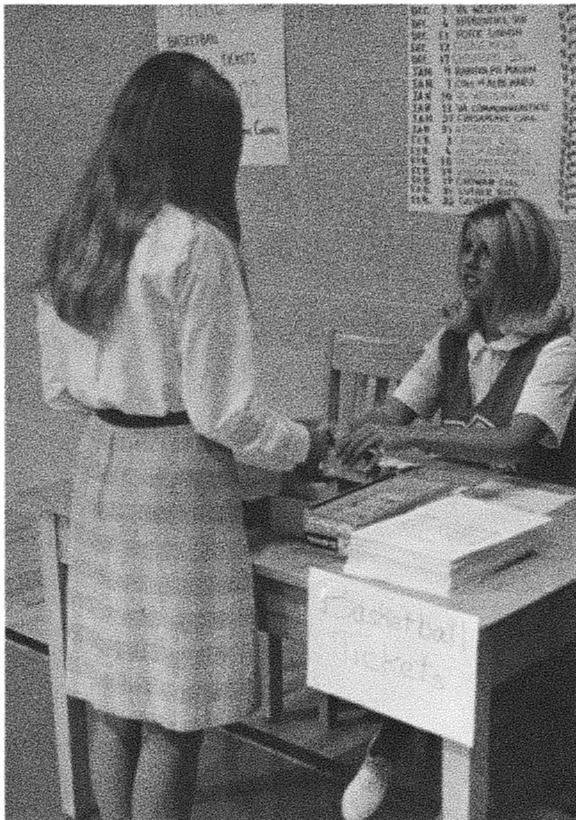

In these respects, the Trident staff feel we are representing the Faculty, as well as the Student Body, in dedicating this the Fifth Volume of the Trident to Dr. Mulliken.

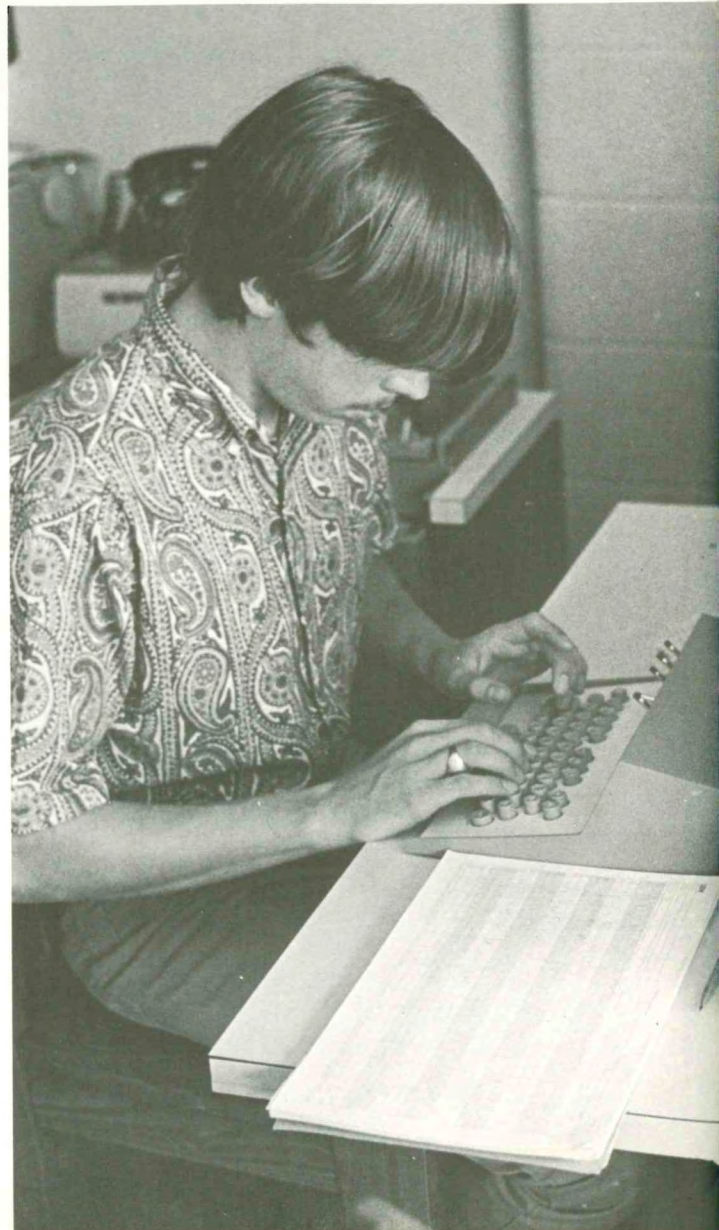

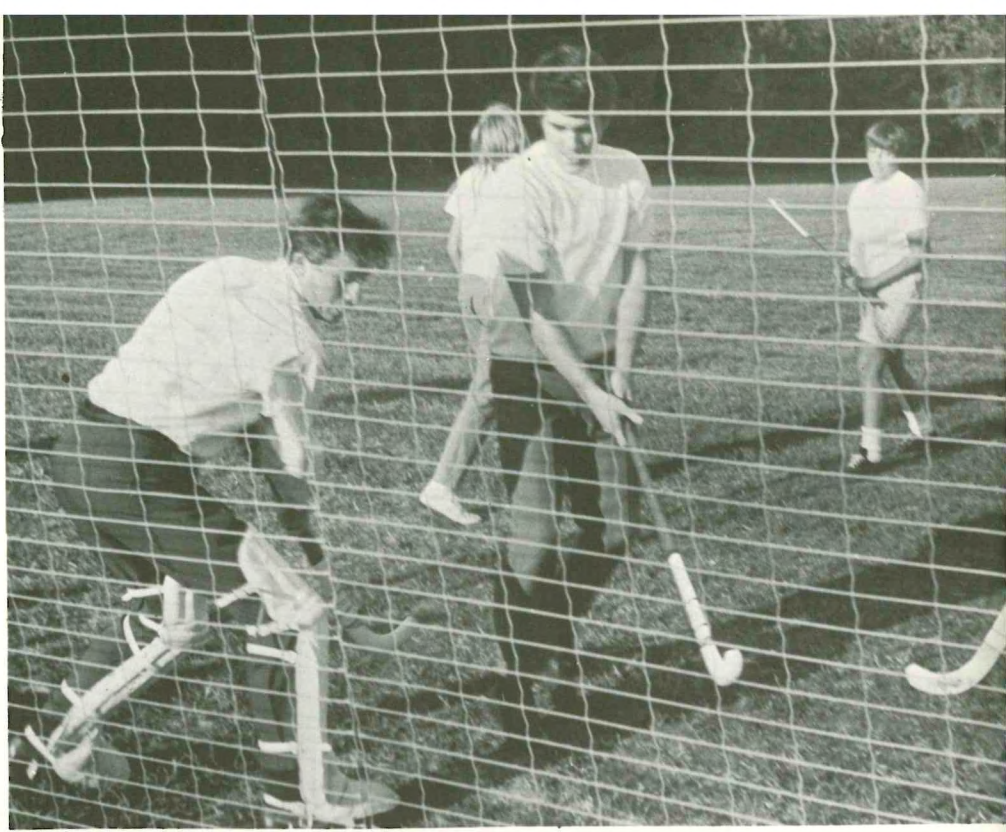

Dr. Mulliken received her masters degree from New York University and her Ph.D. from the University of Utah. She has been with Christopher Newport College since 1965 and is an associate professor in psychology. Dr. Mulliken is a counselor in the Counselling Center and is coordinator of psychological services for the City of Newport News School System.

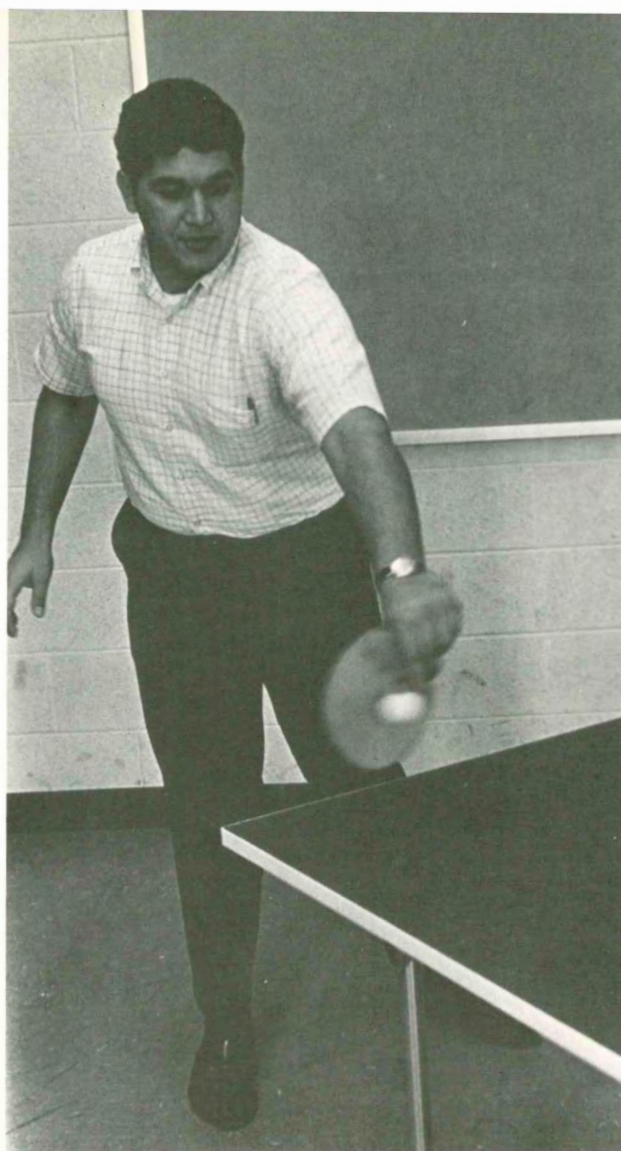

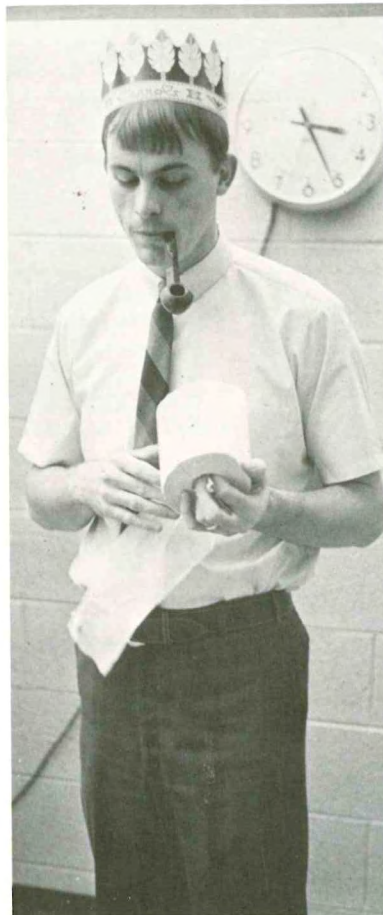

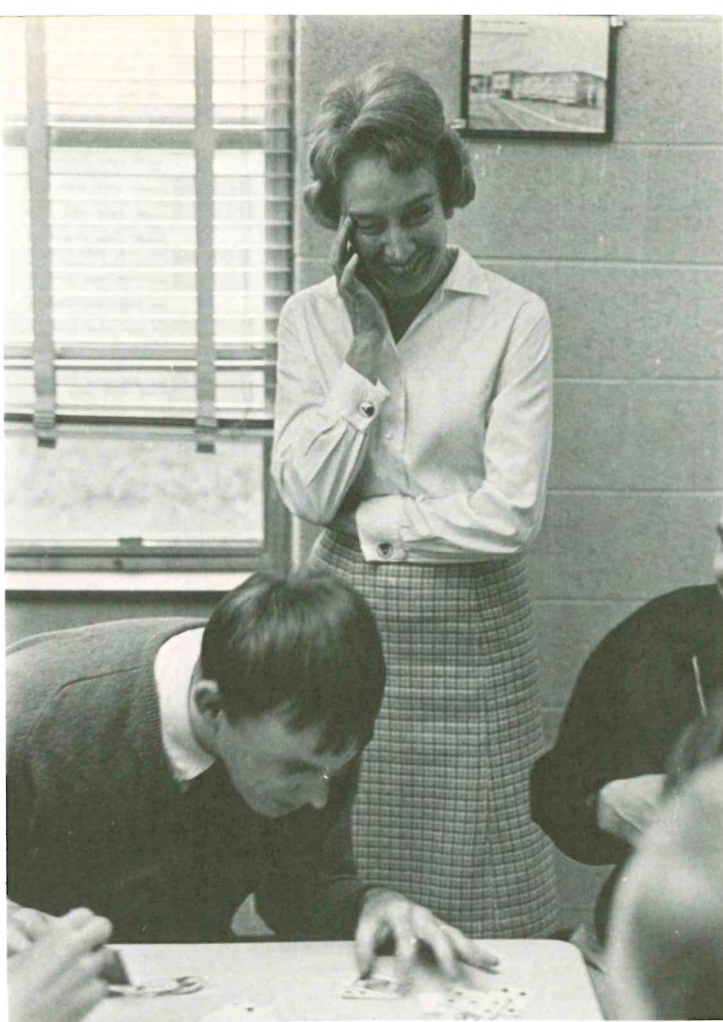

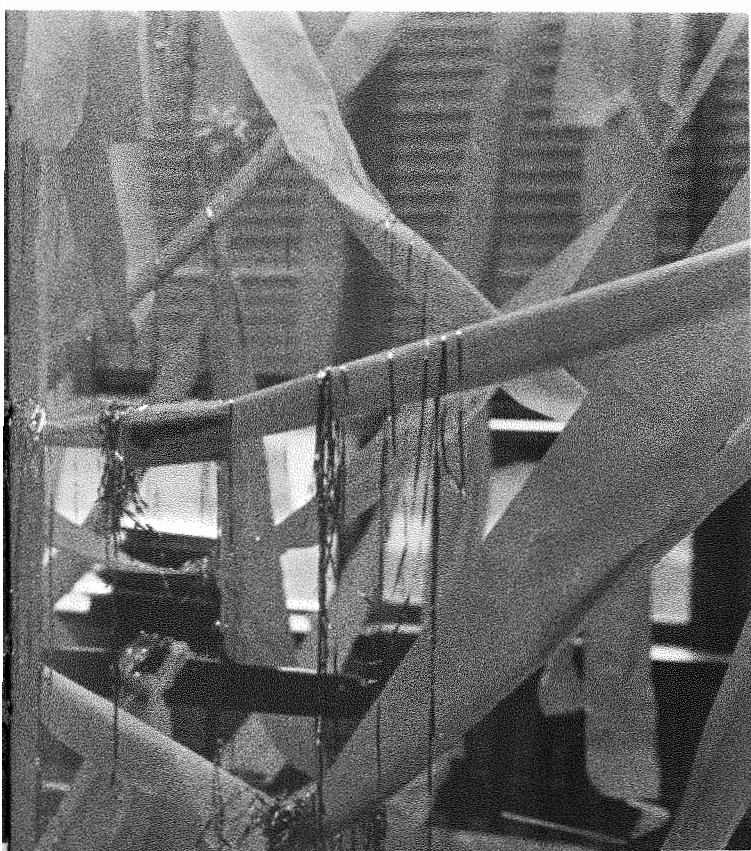

From the moment we enter CNC our thoughts are directed toward the future. Choosing a career is a challenge and a pleasure for us. The choice is difficult, but when we think back, we realize we have chosen well. The decisions we make require movement that corresponds with that of our school. It is because of this action that our theme is ON THE MOVE . . .

WOMEN'S HOCKEY TEAM

The Women's Hockey Team, under the expert guidance of Miss Seats, had an excellent season (if you judge a season by the number of bruises, jammed fingers, and black eyes). Dr. Pugh as the team's medic was kept quite busy. The team played three games in the Regional Hockey Tournament at Westhampton College and finished with a 1-1-1 record.

WOMEN'S BASKETBALL TEAM

The Women's Basketball team, coached by the renowned Dr. Pugh, had an enjoyable season of freezing, bouncy, rattly bus rides to away games and hot, stifling, sweaty home games in the hot, stifling, sweaty Radcliffe Gym. Looking beyond the skinned knees, twisted ankles, and stepped-on toes, the team benefited greatly from the physical and mental activity (as can be seen in the picture below). Due to unforeseen circumstances the season's record could not be recorded!!

“BIG MIKE”

Mike Cazares, better known around the college as “Big Mike,” is the real backbone of the college. Without him we would have to plow our way through snowdrifts, sit in unheated classrooms, and we would never get into the locked buildings.

Mike came to the college when Christopher Newport Hall was completed in the fall of 1964 after his retirement from the army. His official title is Building and Grounds Supervisor, but we know him as just a good friend.
