## OFFICIAL ANNOUNCEMENT

### Instruction Evaluation Surveys

Consistent with the recommendation of the Faculty Senate, Instruction Evaluation Surveys (IES) will be administered this semester during the 11th and 12th weeks of classes, rather than the 13th and 14th weeks as was done prior to 1988-89. Accordingly, instructors are alerted to look for the IES materials (memorandum and labelled envelopes with proctors' instructions) to be distributed on the afternoon of Friday, November 10. Evaluations should be conducted during the weeks beginning on November 13 and November 20 (i.e., the week before Thanksgiving and the short Thanksgiving week).

When you receive the memorandum and envelopes please verify that you have all the envelopes you expected to receive. With relatively few exceptions, every class that is being taught is scheduled to be evaluated. Any questions that you have relative to your classes to be evaluated should be brought to the attention of the Assistant to the VPAA.

-- Asst. to the VPAA

### CNC Theatre Presentations

The CNC Theatre presents Moliere's Tartuffe for its fall production. The play opens this Friday, November 10, in the John W. Gaines Theatre. Curtain time is 8:00 p.m. Tartuffe is one of the classics of both comic and satirical writing. To deal with religious hypocrisy in the comic vein was perilous in 1664. Moliere paid a heavy price, personally and professionally. After a private performance for King Louis XIV in Versailles it took Moliere five years to have it performed in public. It was instantly a smash hit.

The recent CNC Theatre staging of The Imaginary Invalid was a resounding success with high school students. The enthusiasm seems undiminished, for about 1600 students from the wider Hampton Roads area will come to campus during the next two weeks to see four morning performances. The performances are scheduled for Thursday, November 9, Wednesday, November 15, Thursday, November 16 and Friday, November 17. During those days you may find the Campus Center crowded during lunch time.

Faculty and staff are again entitled to purchase two tickets for the price of one (\$5.00). Those familiar with the calibre of CNC Theatre productions know this is a bargain not to be found anywhere. Those yet unfamiliar with what the CNC Theatre has to offer are cordially invited. If past productions are any indication, you will witness the very best college theatre has to offer. The cast and production staff look forward to your visit after nearly two months of intense rehearsals.

Evening performances are also scheduled for Saturday, November 11, Friday, November 17 and Saturday, November 18.

For reservations call 594-7089. Tickets can be directly purchased in the departmental office of Arts and Communication (Gosnold). Phyllis Ayers, secretary, will be happy to help you.

See you at the show.

-- Bruno Koch, Director of Theatre
