let us go down brick-lined pathes.

*down pathes that lead toward
never-ending questions,*

*that lead toward unknown corners of
the walls.*

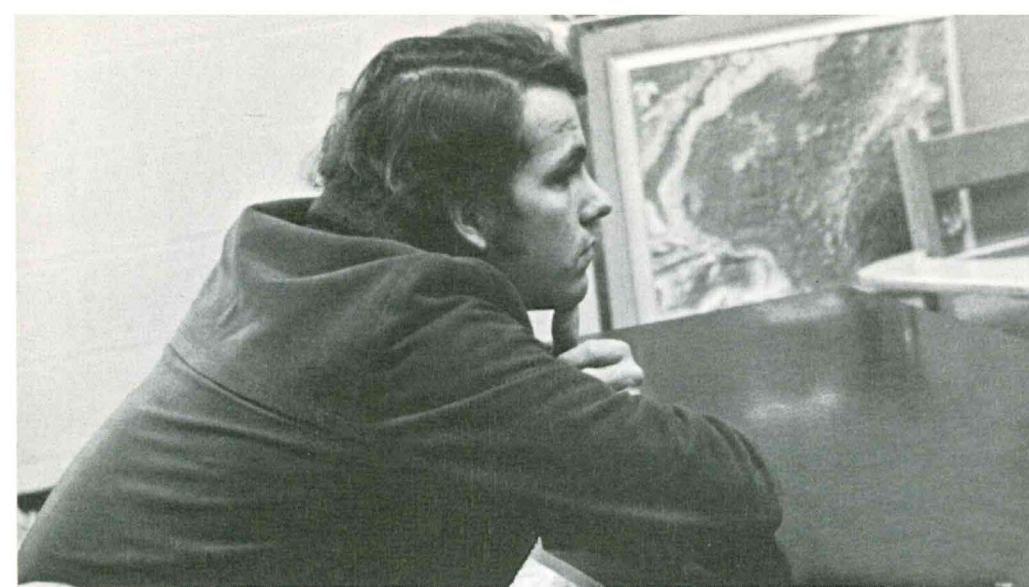

dare you ask, "why?"

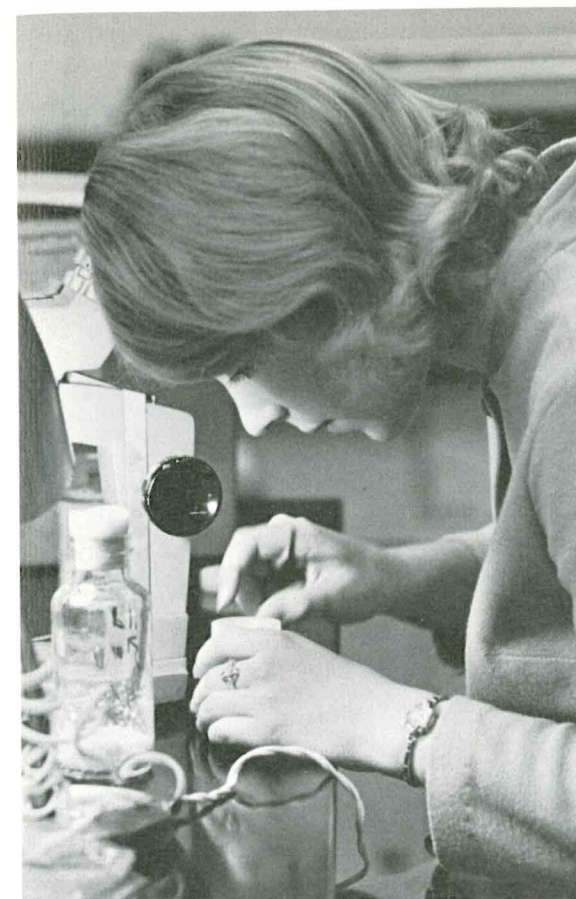

where is the time, where is the time

*to find ourselves among the selves
we meet?*

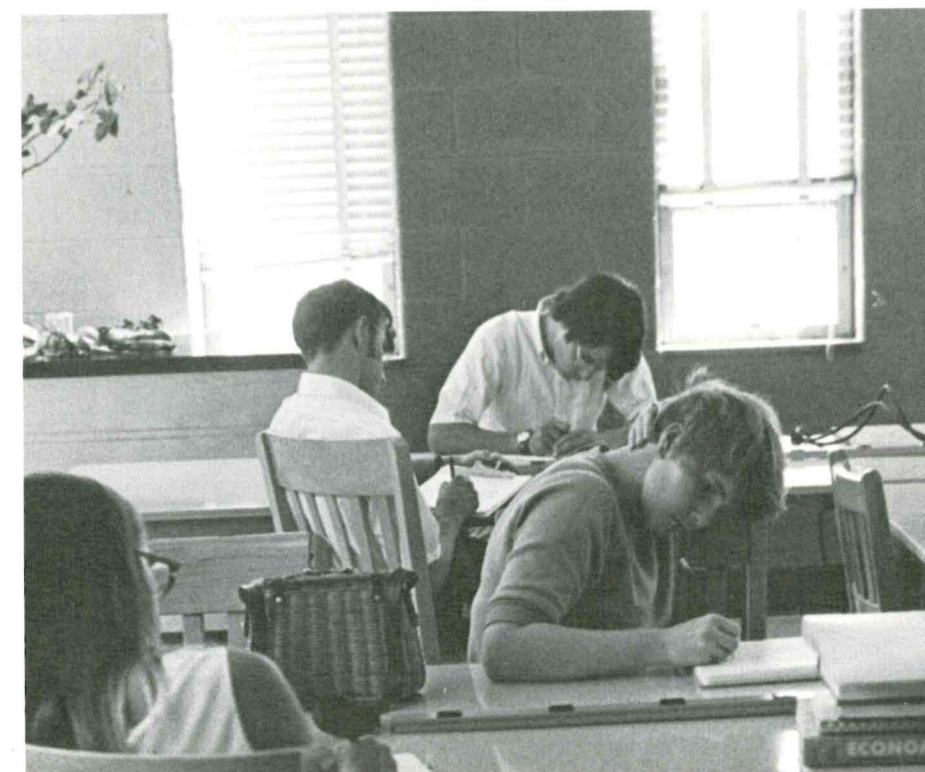

*where is the time among the empty and the full,
among the distant and the now,
to fill the vacancy that's here?*

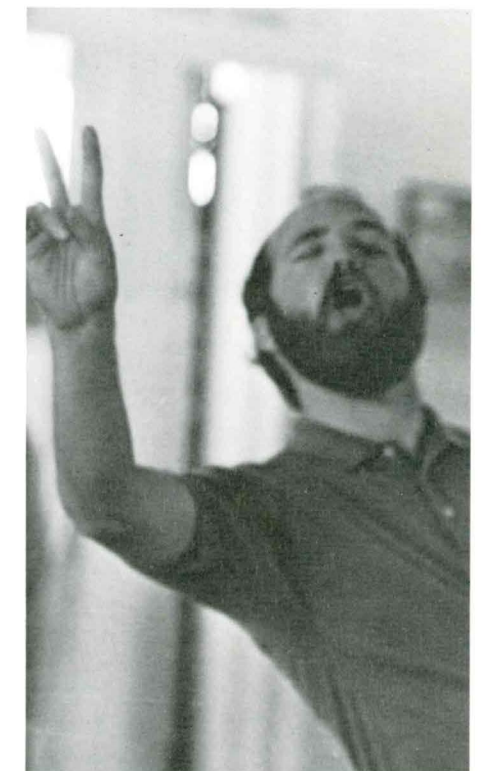

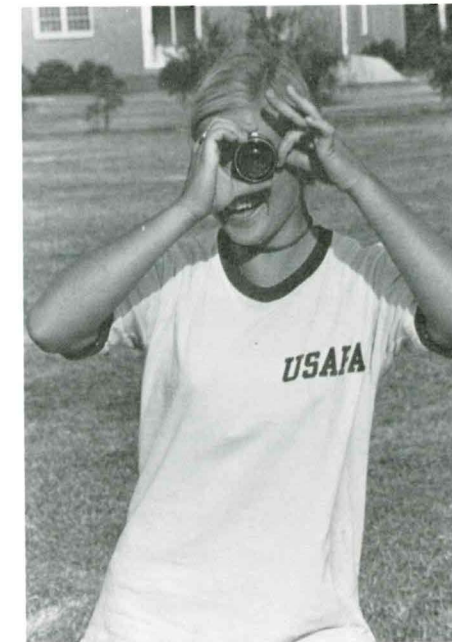

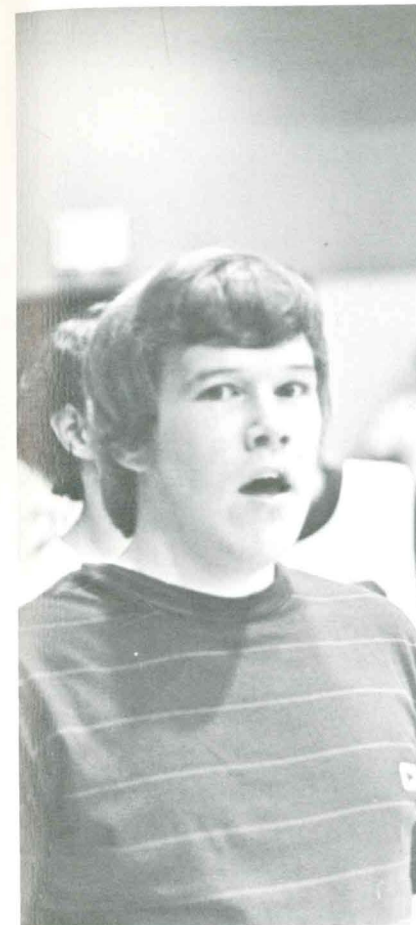

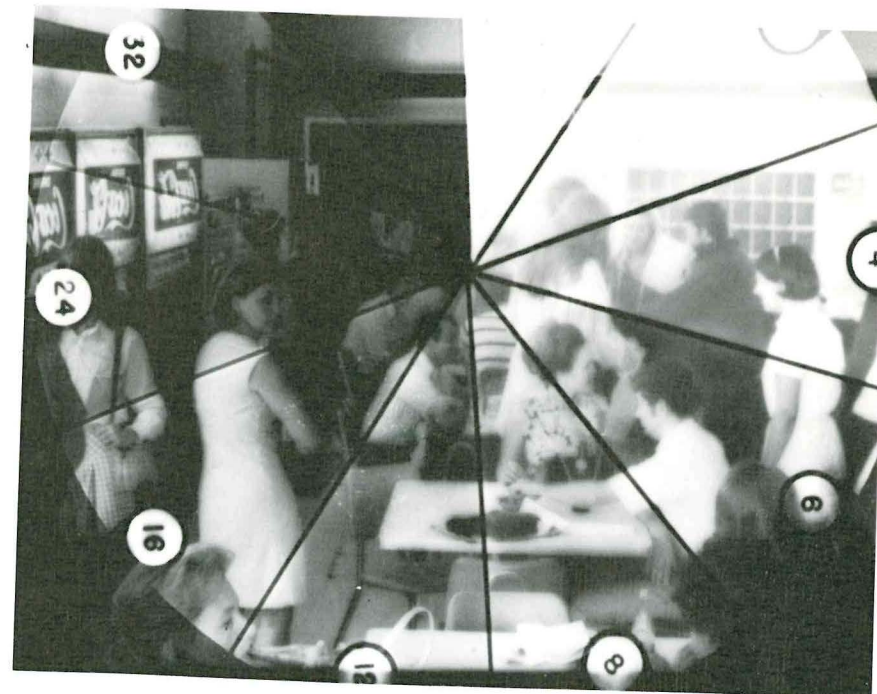

*where is the time for you and me?
for the turning and returning that a moment can create?
for the filling and fulfilling of an unforeseen demand?*

*though we have smiled and questioned, smiled
and waited . . .*

*we have met the answers coming from a
face across the room.*

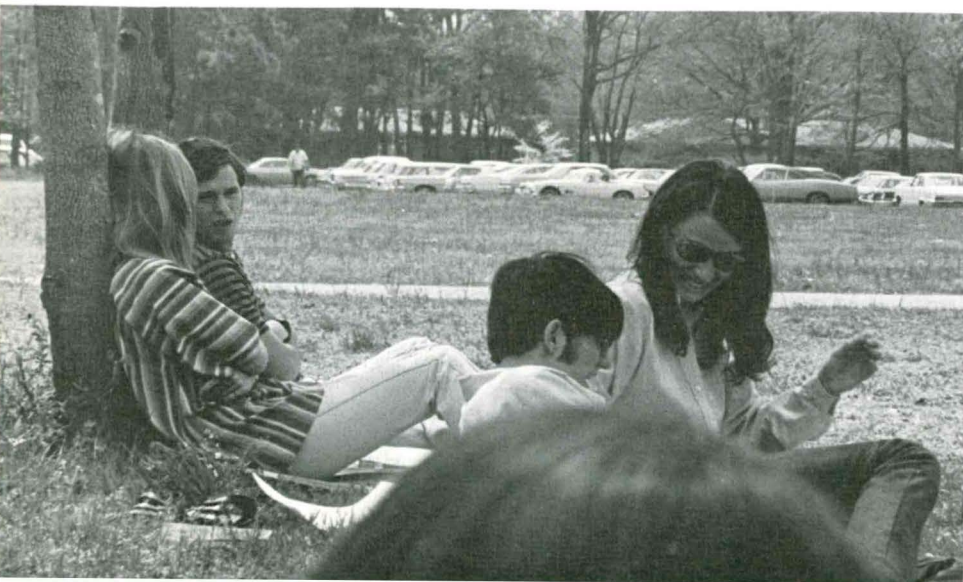

could it all be worth it?

all the nights of coffee contemplations,

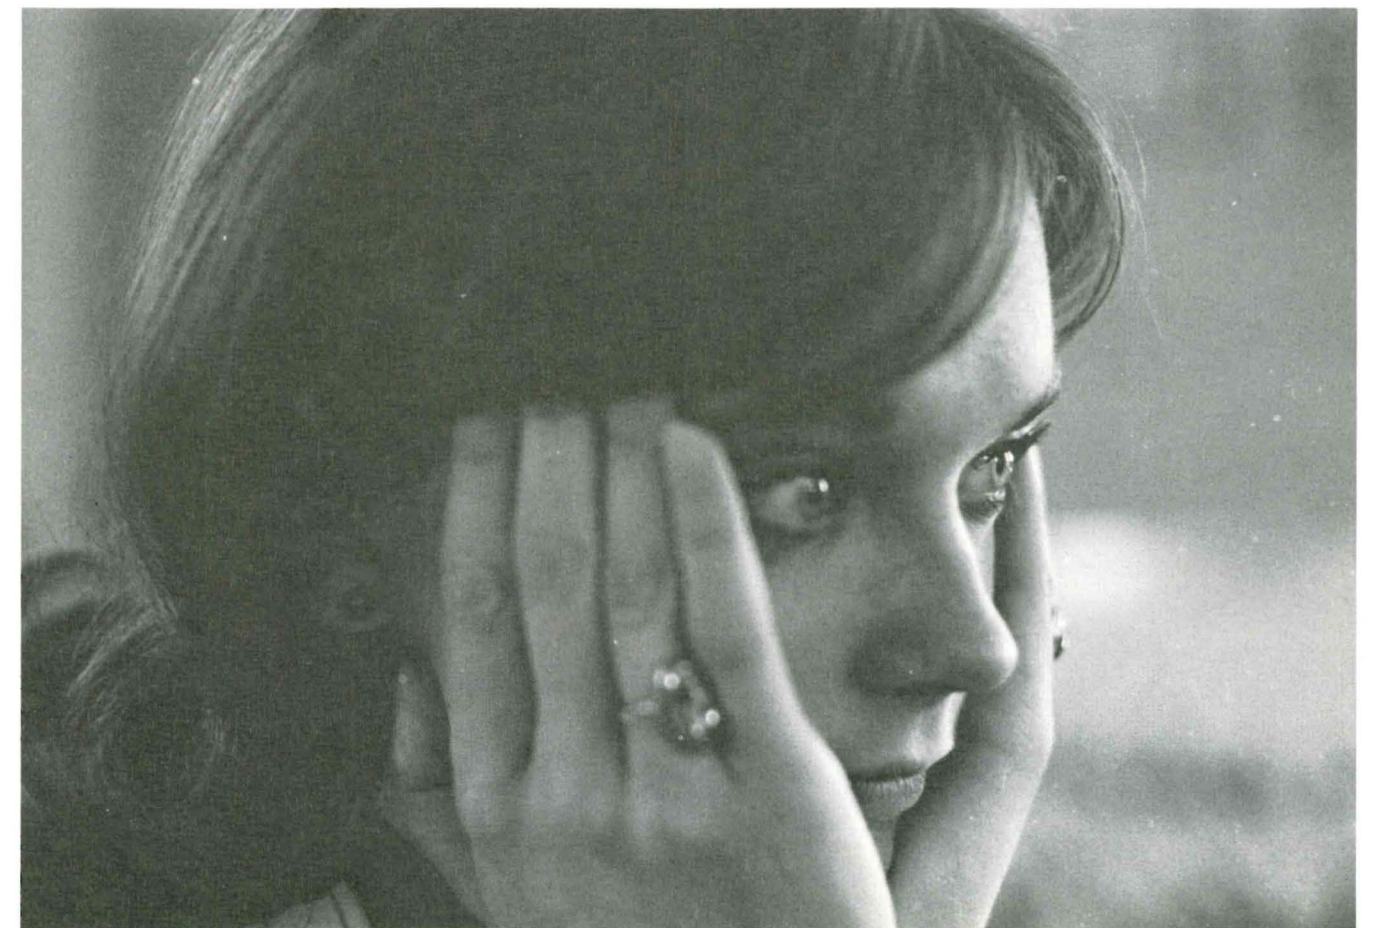

all the days of chalky recitations?

*we have known the days, the months, the years;
we have seen our fears dissolve
before a microscopic gaze.*

*let us go now, you and i,
where the corners join with the sky.*

graduation june 12, 1971

each year there are hundreds of decisions to be made and details to be taken care of before school can open and classes can begin. one woman of the christopher newport administrative staff is responsible for many of those decisions and details. she works all year getting classes set up, our grades recorded, transcripts mailed out, and memos sent to the faculty and student body. this year she has had an added responsibility — a senior class that has needed her guidance in planning graduation.

students come and go by her desk throughout the day, and for each she has a smile, a word of encouragement, and, more often than not, she knows the student well enough to call him by name. a vital personality, she inspires students with the belief that they can be successful in college. because of her continuing service to the college and her devotion to the students, we would like to dedicate this year's trident to mrs. jane c. pillow.

dedication

counting hours for the seniors can be a long and tiring job. not only do quality point averages have to be computed but transcripts have to be sent to graduate schools and gowns and invitations have to be ordered. all of these jobs were necessary for the first class of c.n.c. to graduate . . .

and now, just a few more minutes and it will all be over 'til tomorrow.

in memoriam robert madison usry

robert madison usry was known by thousands of christopher newport students as one who took a personal interest in the academic, social, and personal life of each individual with whom he came in contact. for over 10 years he served the college community as an assistant professor of history. to many people he was just a friend. his interest in individuals allowed him to provide a home for over twenty-five young men, and assist them in receiving a college education. as a teacher he enriched the minds of scores who entered his classroom. perhaps kahlil gibran sums up best the wisdom of robert m. usry:

robert madison usry
assistant professor of history

the teacher . . . gives not of his wisdom, but rather of his faith and his lovingness. for if he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

psychology club

the psychology club was reorganized in 1970 and began a schedule of varied activities involving the members in school and community affairs. along with the biological society a six weeks sex education seminar, which included both biological and psychological topics, was presented for all students; at easter an egg hunt was held for a group of underprivileged children; may day was a "splashing" success thanks to the dunking machine. plans are already underway for more community activities in the fall of 1971.

psychology club members: wayne barry, sarah benbow, louise christofi, margie christopher, jane culp, jerry dodson, dinah everett, mary fowler, martha gustin, charlotte hoggard, margaret jenkins, catherine johnson, patti kahle, gary labar, penny lawson, don lucido, terry lucas, marilyn mccabe, john mccarthy, steve moore, martha muguira, greg raines, sandy reynolds, john scull, joyce smith, sandra stewart, dwight taylor, lynn walker, ray webb, cheryl wolfe, molly young

during the past year the members of the history club have been trying to establish an organization which would interest more students and faculty. while membership is not restricted to only history majors, the main goal of the club is to foster interest in that field and to encourage students to pursue related topics they find enjoyable. attempts are made to include programs which will appeal to all members. as an example, the past year's schedule consisted of such events as a slide lecture by state archeologist howard mac cord, a discussion with the registrar on requirements for graduation in general and specifically with a major in history, a talk with a member of the state park service on the possibility of jobs in that field, and a trip to two of the james river plantations. a planning group will be meeting throughout the summer to get things organized for a new year.

government club

the government club sponsored a luncheon at the warwick restaurant. twenty-five government majors and faculty members listened to remarks by president james c. windsor concerning future growth of the government department and urban affairs center.

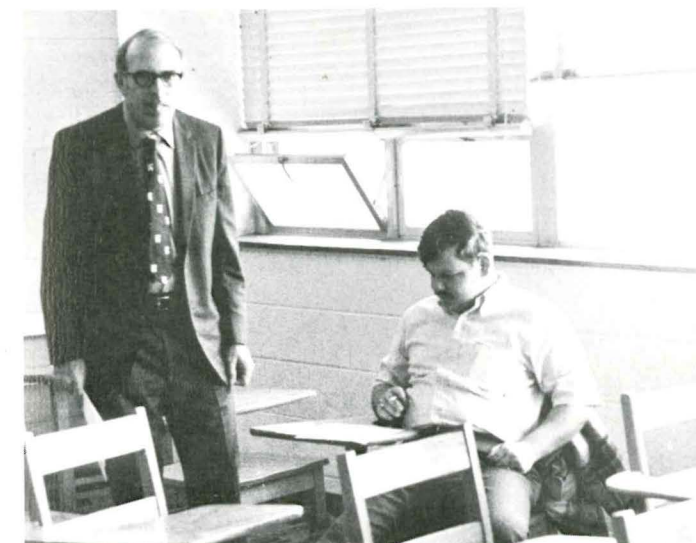

in april the government club sponsored a forum at the college for the purpose of informing the college community about vital issues before the general assembly. speakers were: state senator herb bateman, state senator hunter b. andrews, delegate john gray of hampton, and delegate alan diamonstein.

the newman club is one of the most growing and most active organizations at c.n.c. this year it helped sponsor the halloween dance, did some campus cleaning, and gave two parties for underprivileged children. it also organized and presided over the province convention at the hotel chamberlin for newman clubs from four states.

the main objectives of the circle k this year were to increase membership and activity of the club. both were fully met with membership doubled and twenty-nine major projects undertaken. it was a year of conventions, campaigns, awards, a new constitution, fun, hard work, and almost getting thrown out of circle k international because of the female membership. a few of the projects were: "send a mouse to college" (cancer drive), bringing the bloodmobile to c.n.c. (establishing two peninsula records), directing traffic at cross country meets, providing recreation for young people at newport news detention home, tutoring local high school students, providing basketball programs for home games, and characteristic of the club, playing clowns at a grand opening.

athletics

men's basketball

the basketball team of christopher newport college completed the 1970-71 season with a 13-6 record. beginning the season in somewhat of a slow manner, the captains raced from a position of 3 wins and 4 losses to another respectable winning season. the winning spirit was demonstrated by a strong starting five, andy wacławski, bob arnette, tom klump, paul babcock, jerry allen and a bench which added greatly to the success of the season. andy wacławski, being the only senior on the squad, will be missed next year, and certainly his shoes will be hard to fill.

having played against heavy odds and in many unusual situations, the competitive spirit was always there and as the 1971-72 season approaches the captains will strive for greater goals.

the indoor track team competed in a triangular meet at v.m.i., the v.m.i. relays, state meet and lynchburg relays, the outdoor track team had a 2-2 dual meet record as well as competing in the colonial relays, hampton institute relays, norfolk relays, state meet and small college meet.

outstanding performances during the season were greg donner who received the trophy for the most valuable trackman due to his scoring of 55 points in four meets and Bill Alto received the ric bahr memorial trophy for the most outstanding trackman. three of the school records billy set were 4:26.3 (mile), 10:06.4 (2 miles), 14:54.9 (3 miles).

the 1970-71 christopher newport tennis team enjoyed a winning season against a strong collegiate schedule. matches were played against established tennis teams from hamp-ton institute, st. andrews, and william and mary. the captains finished with a record of 7 wins and 5 losses.

coach jack armistead in his first year as sponsor of the team termed the season as a highly successful one. "the team not only finished with a winning record, but we were able to give much experience to sophomores and juniors who will return next year."

NEWPORT NEWS IS GROWING YOU ARE A PART OF IT.

The future of Newport depends on your future
and your new ideas. Let's build together!

NEWPORT NEWS. WE'VE LAUNCHED MORE THAN 500 SHIPS.

But wait 'til you see our encore. When we started out in 1886, we were just a small ship repair yard. We named the company Newport News. Because we were proud to be doing business here.

Today we're the largest shipyard in the world. And we're still proud to call ourselves Newport News Shipbuilding and Dry Dock Company. Because a lot of the people who helped put us where we are today come from right here on the Virginia Peninsula.

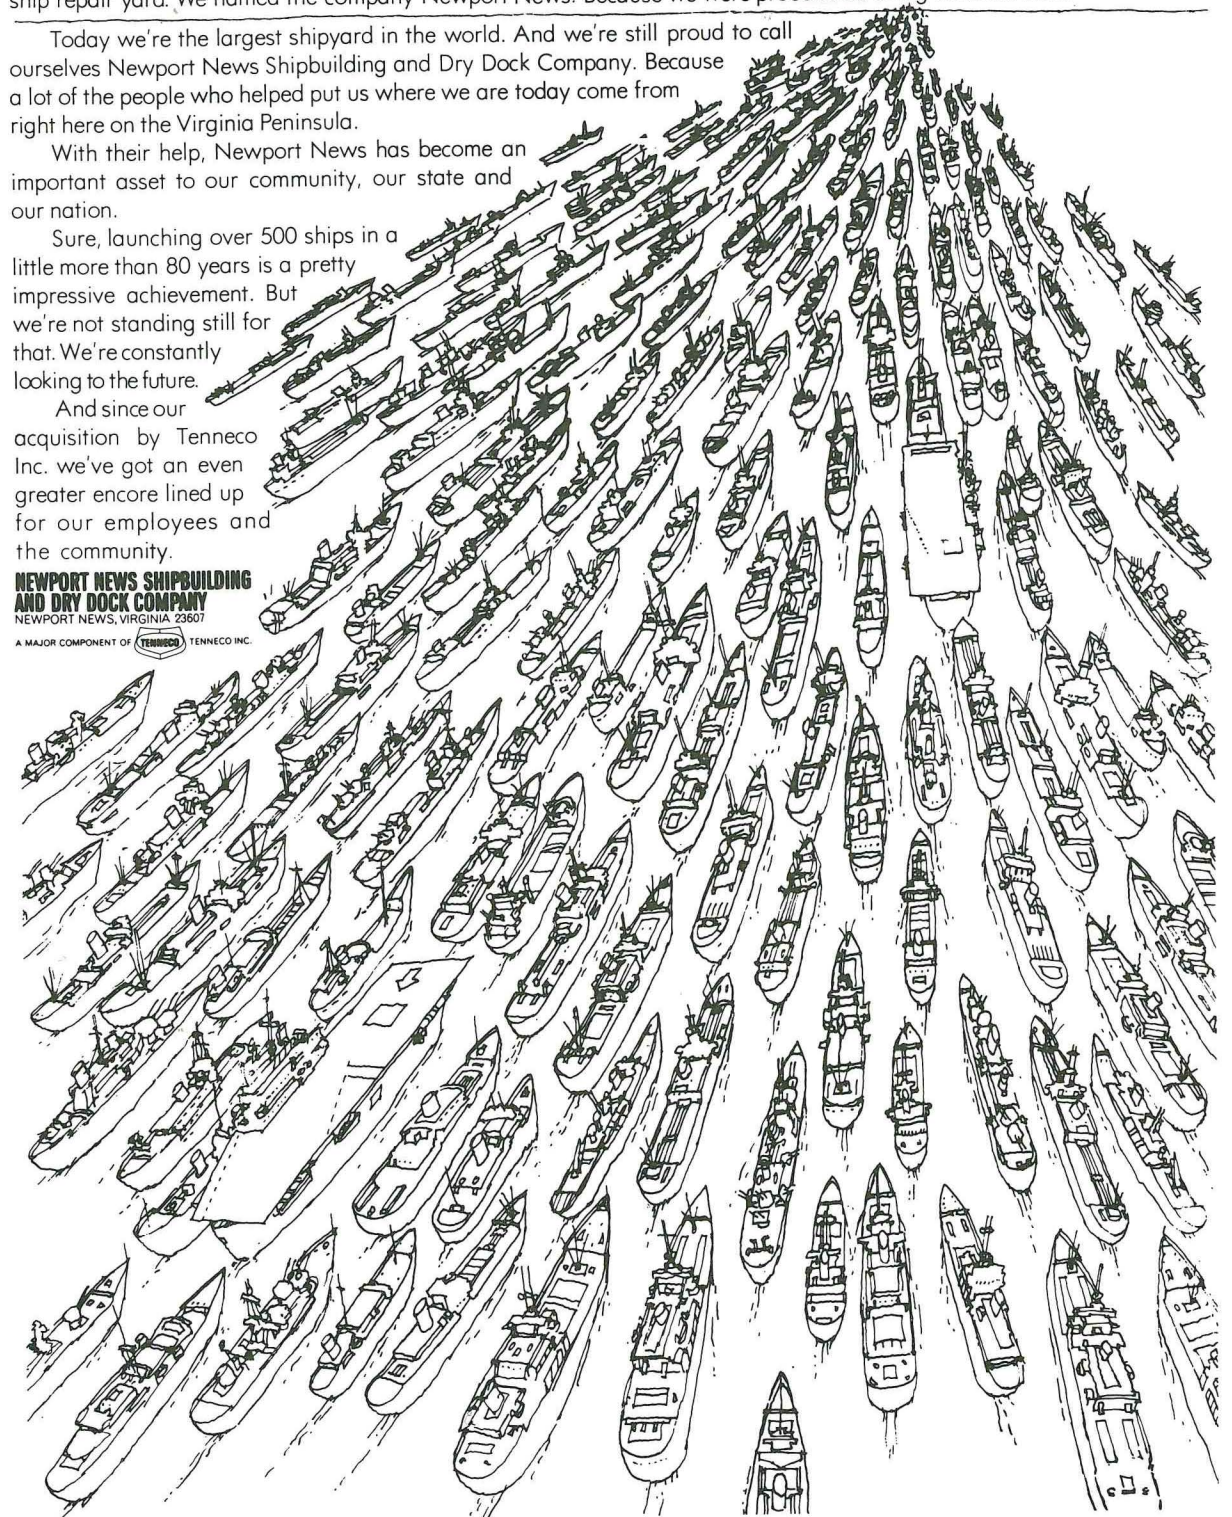

With their help, Newport News has become an important asset to our community, our state and our nation.

Sure, launching over 500 ships in a little more than 80 years is a pretty impressive achievement. But we're not standing still for that. We're constantly looking to the future.

And since our acquisition by Tenneco Inc. we've got an even greater encore lined up for our employees and the community.

**NEWPORT NEWS SHIPBUILDING
AND DRY DOCK COMPANY**
NEWPORT NEWS, VIRGINIA 23607

A MAJOR COMPONENT OF  TENNECO INC.

We want your business.
We do more to get it.

GRADUATE TO F&M.

We offer every banking service
you'll ever need. Checking,
savings, loans, the works.

And we're always looking for
graduates who are looking for
something special in career
opportunities. If that's you,
let's talk.
