PLEASE READ CAREFULLY

- No final exams will be given during the last week of classes.
- Students are required to take all of their examinations at the time scheduled, except:
  - Where conflicts occur
  - For illness
- Applications for individual changes in the schedule should be made through the Office of the Registrar by May 15, 1981. All applications must be approved by the instructor.
- Any student who is absent from an examination because of illness or other emergency situation should notify the Office of the Registrar. That office will in turn notify each instructor of the communication.
- No excuse on the grounds of illness will be accepted unless it is certified in writing by a physician. This excuse should be processed through the Office of the Registrar.
- NOTE TO FACULTY:
  - Graduating seniors will be graded on separate grade sheets due in the Registrar's Office 24 hours after each final examination.
  - All other grades are due in the Registrar's Office 48 hours after each final examination.

## NEWS & GENERAL INFORMATION

### Professor Squires Home From Hospital

Joanne Squires is recuperating at home following open heart surgery. She is expected to resume full time teaching in the fall. During her extended recovery friends may call her at 229-3960 or mail cards to 239 Christopher Wren Road, Williamsburg, VA 23185.

### Call for Papers and Guest Speakers

The Dean William Parks Memorial Colloquia Committee is preparing its schedule of speakers for the 1981-82 academic year. Accordingly, the Committee issues an invitation to all members of the faculty to submit proposals for presentation of their own research efforts or to submit names of eminent scholars to be invited to the campus to give presentations.

In making a proposal for presenting the results of their own research efforts, CNC faculty should present a précis of their thesis and major conclusions. In nominating outside scholars, a brief resumé and possible topics for a talk should accompany the nomination.

All proposals and nominations must be received by Friday, April 17, so that the Committee can begin the selection process. Send all proposals and nominations to the chairman of the Committee.

Jim Morris, Department of History  
Chairman, Dean's Colloquia Committee

### Committee on Dismissal Procedures

The ad hoc Committee on Dismissal Procedures is in the process of developing a draft for consideration. This draft incorporates the basic structure of the AAUP guidelines and delineates details necessary for implementation on our campus.

The members believe that since this policy is of vital concern to both the Faculty and Administration that input and coordination should occur at all levels. With that perspective in mind, we plan to coordinate with the Faculty, ad hoc Committee on Tenure and Promotion Policies and Procedures, Administration and the Attorney General's Office.

Your input is solicited at this time and at the open meeting to be held on Wednesday, March 25 in N121 at 12-1.

Every effort will be made to have a draft in your mailboxes prior to that meeting so that you may consider the particulars before the meeting. You are encouraged to attend the meeting or, if the time is inconvenient, please call a member of the committee or send your suggestions and concerns in writing. Your time and efforts are appreciated.

### Position Opening - Computer Science Department

Christopher Newport College, a state supported senior college located in Newport News, Virginia, invites applications for a tenure track position in computer science. A masters degree in computer science or a closely related field is required with a Ph.D. desired. Experience in teaching or industry is desired. Salary and rank are competitive and based on degree level and experience.

Christopher Newport College is primarily a teaching institution and thus the main emphasis in selection will be placed on the abilities of the applicant to teach undergraduate computer science courses. Other evaluation criteria are research, service, and curriculum development.

The College currently offers a bachelor degree program in information science, and will initiate a bachelor degree program in computer science in 82-83 school year. The appointment begins with the Fall 1981 semester.

Deadline for application is April 1, 1981. Vita and three letters of reference should be addressed to:

G. L. Engel  
Department of Computer Science  
Christopher Newport College  
50 Shoe Lane  
Newport News, VA 23606
