OFFICIAL ANNOUNCEMENTS

Property Insurance

Please be advised that the property insurance deductible has increased from \$250 to \$1,000 per occurrence. Taking this into account, you may want to examine the security of the equipment in your department to prevent any possible losses. Recently we have experienced a significant increase in computer equipment thefts. Security kits can be ordered through the Purchasing Office for computer equipment located in high traffic, low security areas. Security kits can be purchased for as low as \$24.95 and consist of aircraft cable and a locking device.
