Reminder for faculty-library coordinators: Division book requests must be turned in to the librarian by May 26.

Reminder: The deadline for turning in faculty book requests to your faculty-library coordinator is May 22, 1972.

To the General Faculty:

For some unknown reason a considerable amount of faculty mail and notices seem to be disappearing from the faculty mail boxes behind the switchboard. Since the students are not allowed in the mail room it is felt that faculty must be picking up other faculty members mail in error and not realizing that this is the case. Please check your mail carefully when you pick it up from your box to see that it is all meant for you. Please, also make note of the fact that the name plates on the mail boxes are under the mail box of that person, NOT on top of their box. It might be best if you would give any mail you wish distributed to the switchboard operator for placement in the appropriate boxes.

If mail continues to disappear (some marked personal and confidential) we will have to resort to a closing of the mail room and have you ask for your mail separately from the switchboard operator. We cannot at this time afford to install post-office type combination boxes, nor should we have to do such. Thanks for your concern and cooperation.
