CHRISTOPHER NEWPORT COLLEGE

Vol. 1, No. 1

Briefing. Interested faculty and staff are invited to attend a briefing on the 1972-73 budget and faculty salary comparative data on Wednesday, March 22, from 3:00 to 4:00 P.M., in room 110, Newport Hall.

The Ad-Hoc By-Laws Revision Committee will meet March 23 from 8:30 - 10:00 A.M. in the Conference Room of the Administration Building.

There will be a meeting of the Faculty-Library Subcommittee of faculty library coordinators on Thursday, March 23, at 12:15 P.M. in the Librarian's Office.

All faculty and staff members are invited to participate in a Faculty Workshop in Computer Programming Wednesday March 23, from 1:00 - 3:00 P.M. in N106. Please note change of time due to conflict with Mr. Windsor's briefing.

Make plans now to see Antigone by Jean Anouilh on either Friday or Saturday evening at 8:30 P.M., April 28,29. This is the only CNC Players production that will not be presented at noon because of its length. The students are already hard at work. Please give them your support by attending.

"The Circus" with Charlie Chaplin, a film sponsored by the Patrick Henry Forum will be shown Friday, March 24, 8:00 P.M. in room N110. Admission--free.

In an effort to solve some of the "mysteries" on the long distance phone bill, please do one of the following:

1. Fill out the telephone slips for any long distance call made off SCATS line. Turn slip into the switchboard operator within 24 hours.
or
2. If you have difficulty placing your call, dial "o" and the switchboard operator will place the call for you and fill out the phone slip and keep it on file
or
3. As soon as you complete a long distance phone call dial "0" and report it. The phone slip will be filled out at the switchboard and kept there on file.

The "lost call" transferring syndrome can be easily relieved. Inform the party to hold the line, hang your phone up and the switchboard operator will transfer the call for you.

My thanks to Debbie Fravel in library for coming up with the title for the daily newsletter.
