May's seminar will be a panel discussion moderated by CNC faculty and featuring Dr. Hermann Grunder, Director, CEBAF, Richard Peterson, Director, NASA Langley Research Center and Doug Juanarena, President and CEO, Pressure Systems, Inc. Topic: "High Technology: Benefits for Small Business Development," free and no registration required.

ANNOUNCEMENTS

Special Olympics CNC's Campus Police now has Special Olympic tee shirts and water bottles for sale in the Campus Center. The cost of the shirts are \$8 and the water bottles are \$3. All proceeds benefit the Southeast Virginia Law Enforcement Torch Run for Special Olympics. If you would like to make a purchase or donation, please contact the Campus Police Office. Donations can be sent through the campus mail or an officer will stop by and pick up your donation. Information on the Special Olympics Torch Run is included in this issue.

Menu For information on the daily menu, please call the cafeteria at 4-7007.

Recycling As you have probably noticed, new receptacles for aluminum cans have appeared about campus. If you know where additional ones are needed, please call Edward Weiss at 4-7044. Also, included in this issue are guidelines for the two types of paper that will be collected for recycling. Except for a few campus locations, most paper will fall in the White Office Paper category. Please sort carefully so as to avoid contamination. If you need boxes for collecting this paper, please call. Thanks again for your cooperation.
