DEDICATION . . .

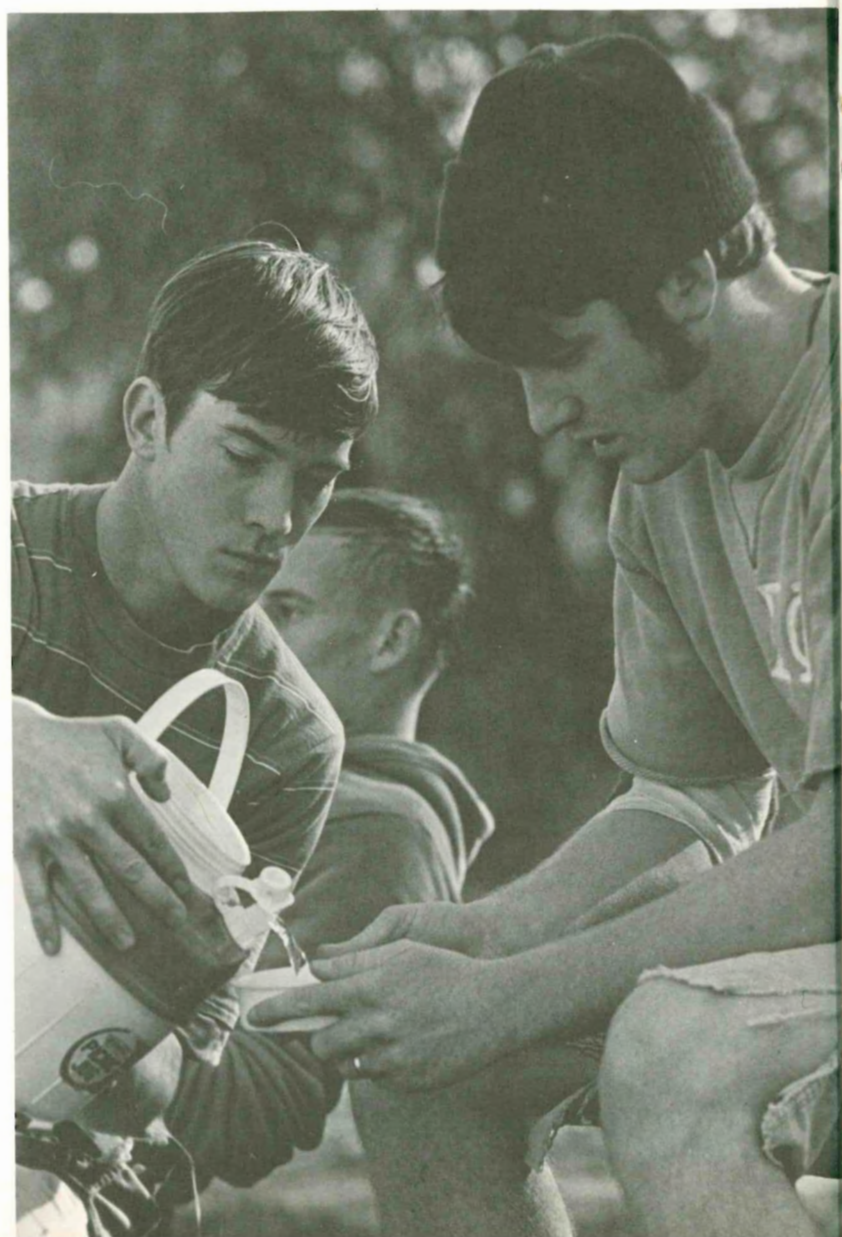

We, the annual staff, take great pleasure in dedicating TRIDENT 1970 to Mrs. D. Doris Reppen. Her pride in Christopher Newport College and its students has been an inspiration to all. For this reason, and many more, we dedicate the annual to her.

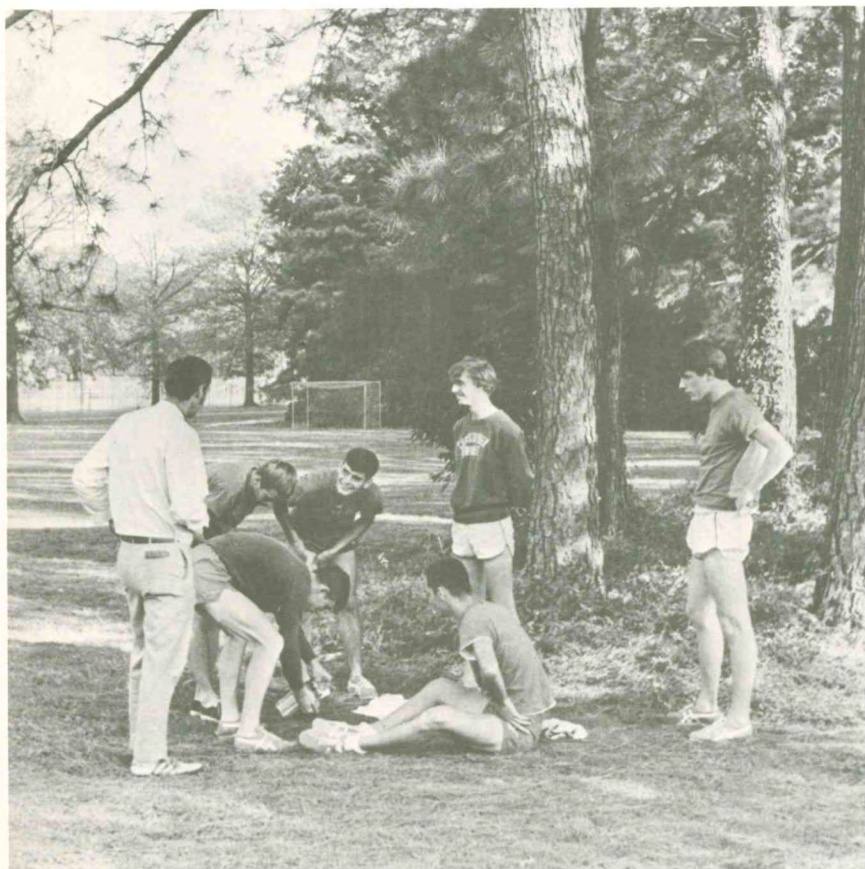

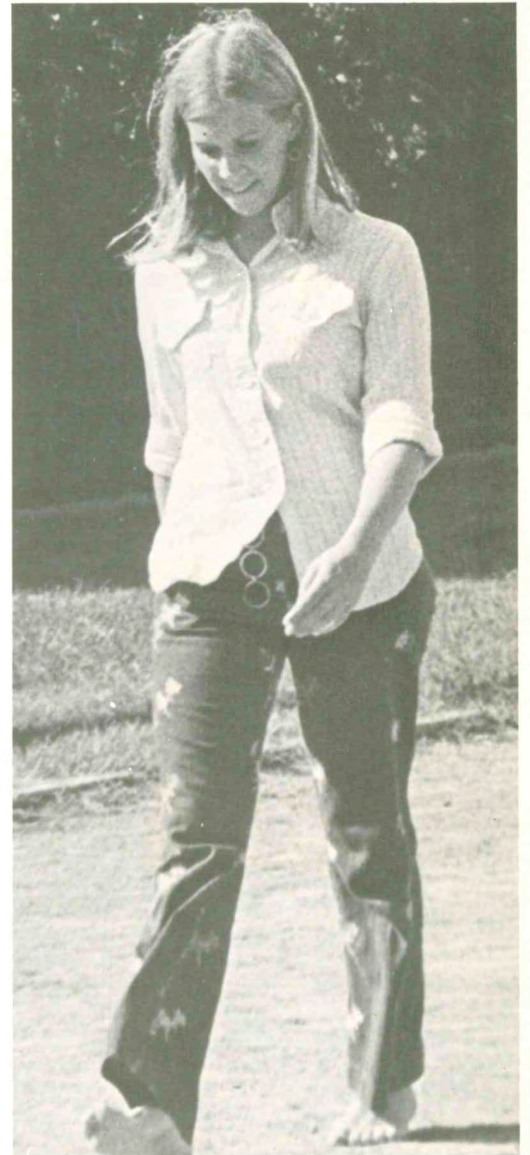

Mrs. Reppen was born in Buenos Aires, Argentina. She did undergraduate work at Mount Holyoke, Massachusetts and received her master's degree from the University of California at Berkeley. Mrs. Reppen has taught in the evening school and during summer sessions. In September 1964, she came to CNC as a full-time faculty member.

VETERANS CLUB

Paul Fisher, Billy Needham, Mike Beard, Steve Franklin, George Williams, Annette Hennessy—Secretary, Vincent McGuira, Clinton Swift, Roman Schenkan, Robert Hubert, John Marchi, Tom Hogge, John Walker.

The Veterans Club was established in September 1967 as a fraternity. Since that time, the club has become an organization which helps the college community. It has given returning veterans a sense of unity, as well as, informing potential servicemen about the Armed Forces.

This year the Veterans have organized one important symposium and participated in another. The Moritorium debate was held primarily to present conflicting views of the Vietnamese War. The Veterans Club supplied speakers in support of America's role in the war. The Veterans also presented the P.O.W.-M.I.A. Action Committee whose headquarters is located in Virginia Beach. Mr. Charles Foster, the National Chairman of the committee, and Mrs. Martha Doss, a P.O.W. wife, spoke at the college in February 1970. Their main purpose was to inform the community of the conditions and lack of information concerning prisoners of war and personnel missing in action. With this start, the Veterans Club hopes to unify other clubs and organizations in this cause.

NEWMAN APOSTOLATE

Glenn Voegelin, Alicia Herr, Susie Patrick, Miss Riddick, Joyce Smith, Lelanie Labrador, Danny Peters, Kathy Digan, Mike Tagge, Beth Brannan, Cecelia Short.

The Christopher Newport Newman Apostolate strives to serve the college, the community and the student. As one of the most active organizations on campus this year, it has sponsored a Moritorium Day, a Christmas and Easter party for underprivileged children, and folk masses for the students, along with other projects.

This year the club was fortunate enough to acquire a house to be used for student activities, tutoring, and parties.

Newman is a Catholic organization, but membership is open to all interested students. This year has a great increase in membership, and it is hopeful that next year will be even better.

Miss Riddick

The faces of Christopher Newport College are many and varied, but they reflect you, the student body.

We the TRIDENT staff, now give to you an assemblage of these faces, as well as, a record of events and happenings that have taken place this past year.

There are times of happiness, times of sadness, times of victory, times of defeat, and most of all times of memories.

The Circle K Club, chartered in 1963, is the only service organization at Christopher Newport. Among its many projects this year was the annual bloodmobile, helping at registration, and a *new* drive for *female* members—a first for Circle K International and Christopher Newport.

The club's goal at CNC is to serve the college and community in any way possible. Circle K joins the other student organizations in building a better campus life.

MARINE SCIENCE AT CNC

There are now being offered at Christopher Newport College beginning and advanced marine science courses. They deal with chemical, physical, and biological aspects of oceanography. Local field trips, the memorable Nagshead trip and Chesapeake Bay voyage, are unforgettable.

Over the Spring break, there is a trip to Florida (Ft. Lauderdale ??), for collection and study of course, in the offing.

"What are springs and waterfalls? The spring of springs, the waterfall of waterfalls . . .

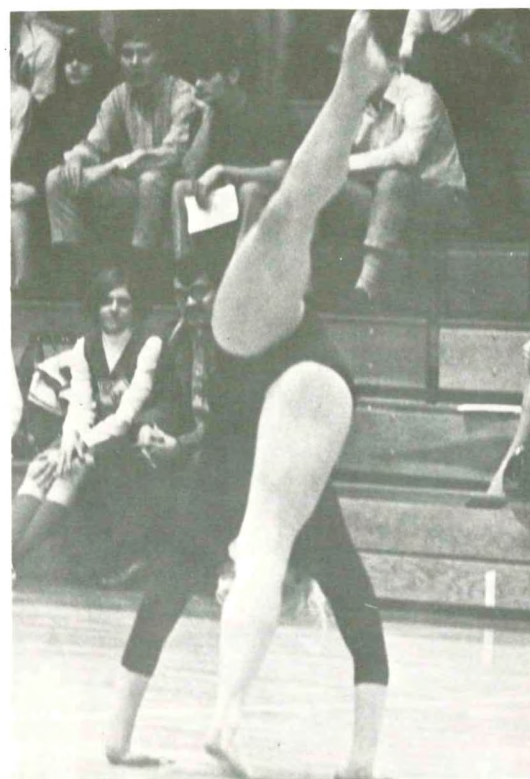

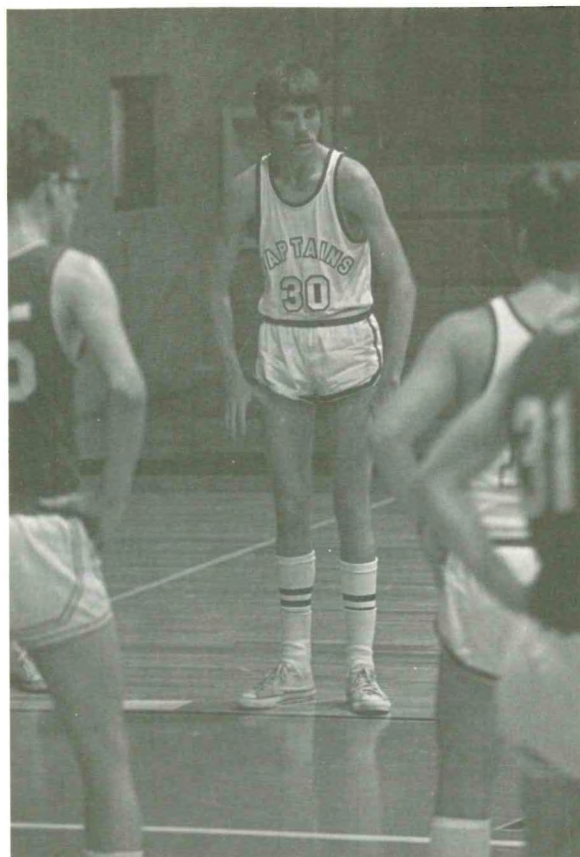

Man can stand here and have all America behind him."

HEADS UP!

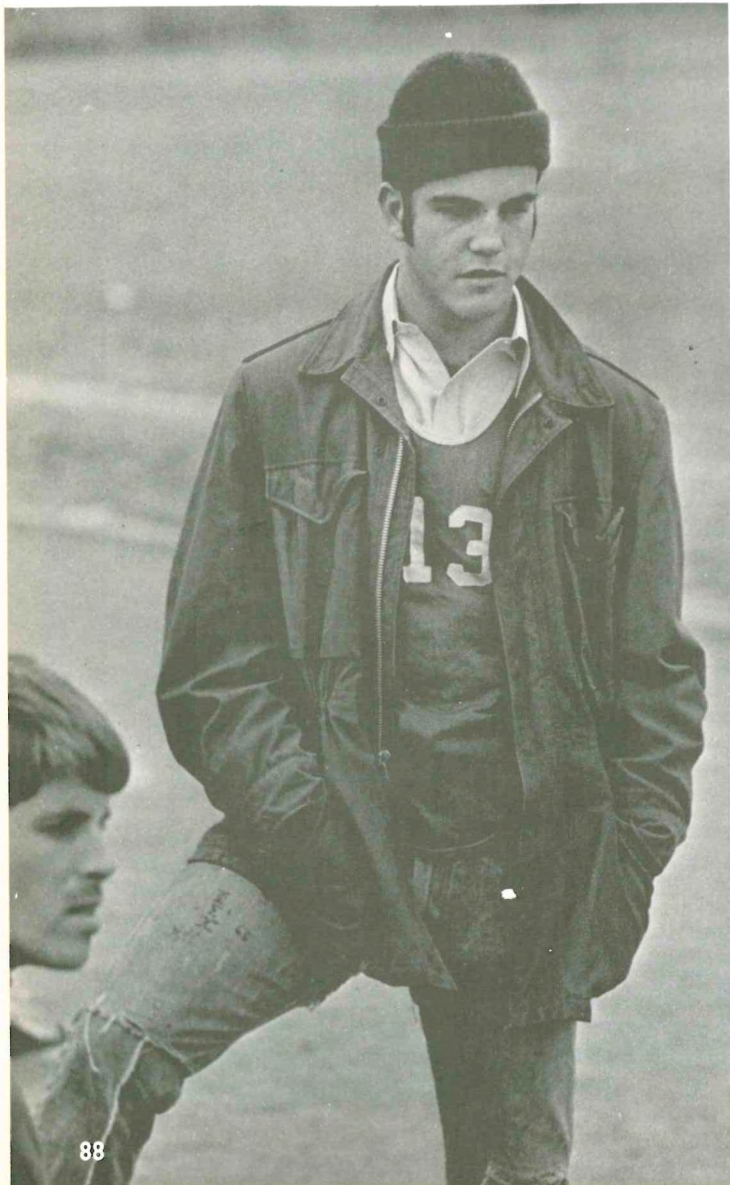

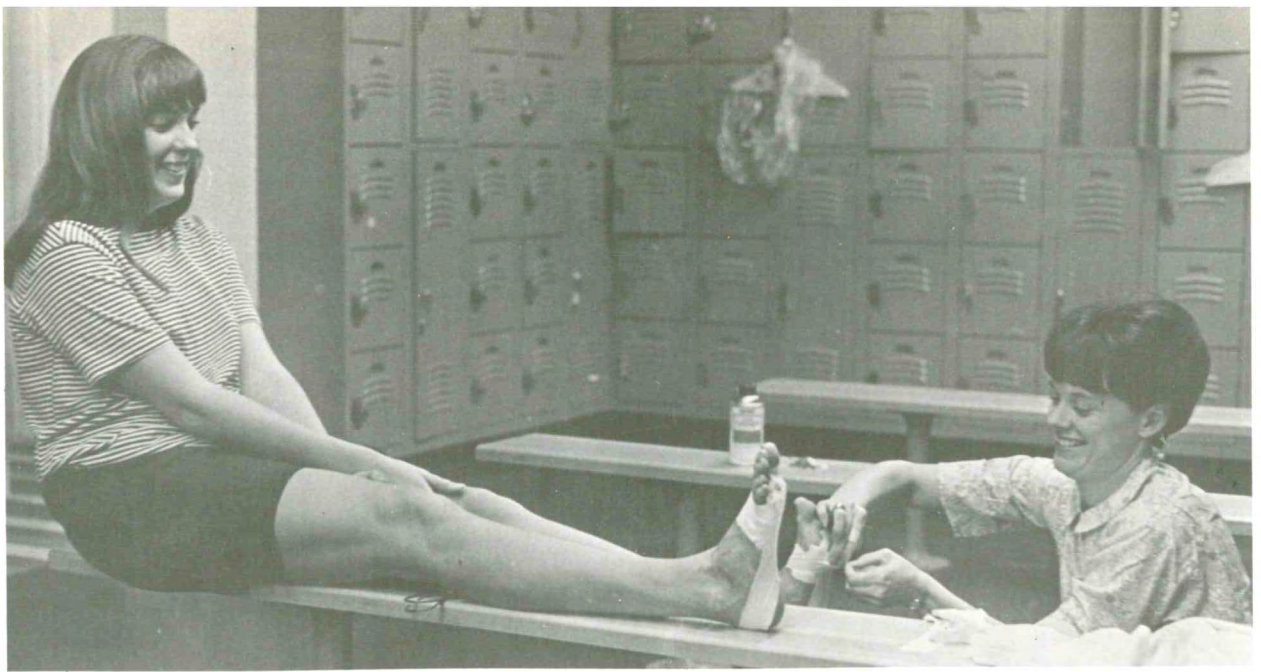

The 1969-70 season was an excellent one for the CAPTAINS. Throughout the season, the starting five fluctuated among Klump, Arnette, Waclawski, Webb, Allen, Babcock, and Stall.

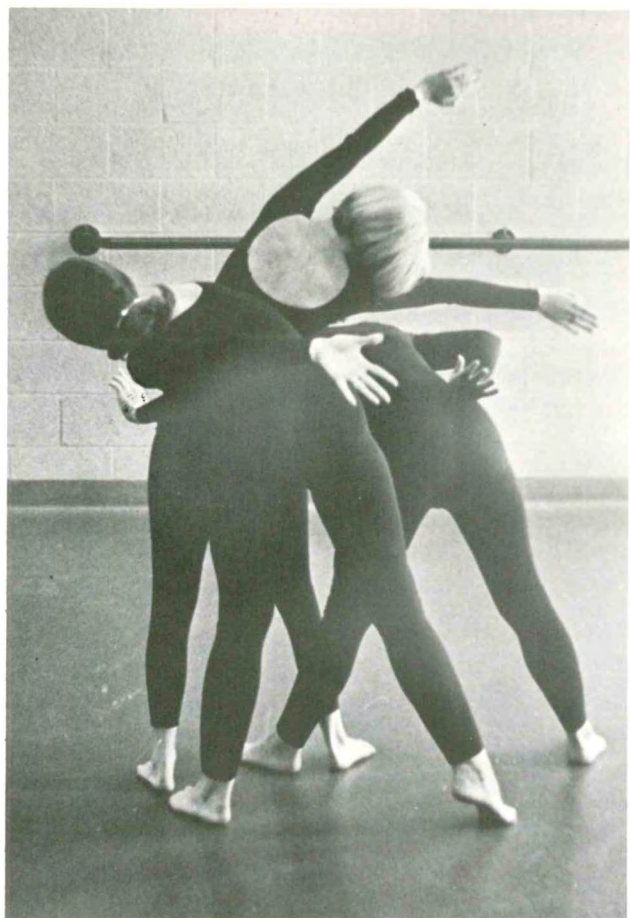

This season showed an increase in number of fans at our home games, and even a small group traveling to away games. Our aspiring and well-coached CAPTAINS achieved CNC's best basketball record to date with fifteen wins and five losses.

Our congratulations go out to the CAPTAINS for their sensational season, and our hopes for an even better season in 1970-71.

Don't just sit there, WORRY!

NEWPORT NEWS. WE'VE LAUNCHED MORE THAN 500 SHIPS.

But wait 'til you see our encore. When we started out in 1886, we were just a small ship repair yard. We named the company Newport News. Because we were proud to be doing business here.

Today we're the largest shipyard in the world. And we're still proud to call ourselves Newport News Shipbuilding and Dry Dock Company. Because a lot of the people who helped put us where we are today come from right here on the Virginia Peninsula.

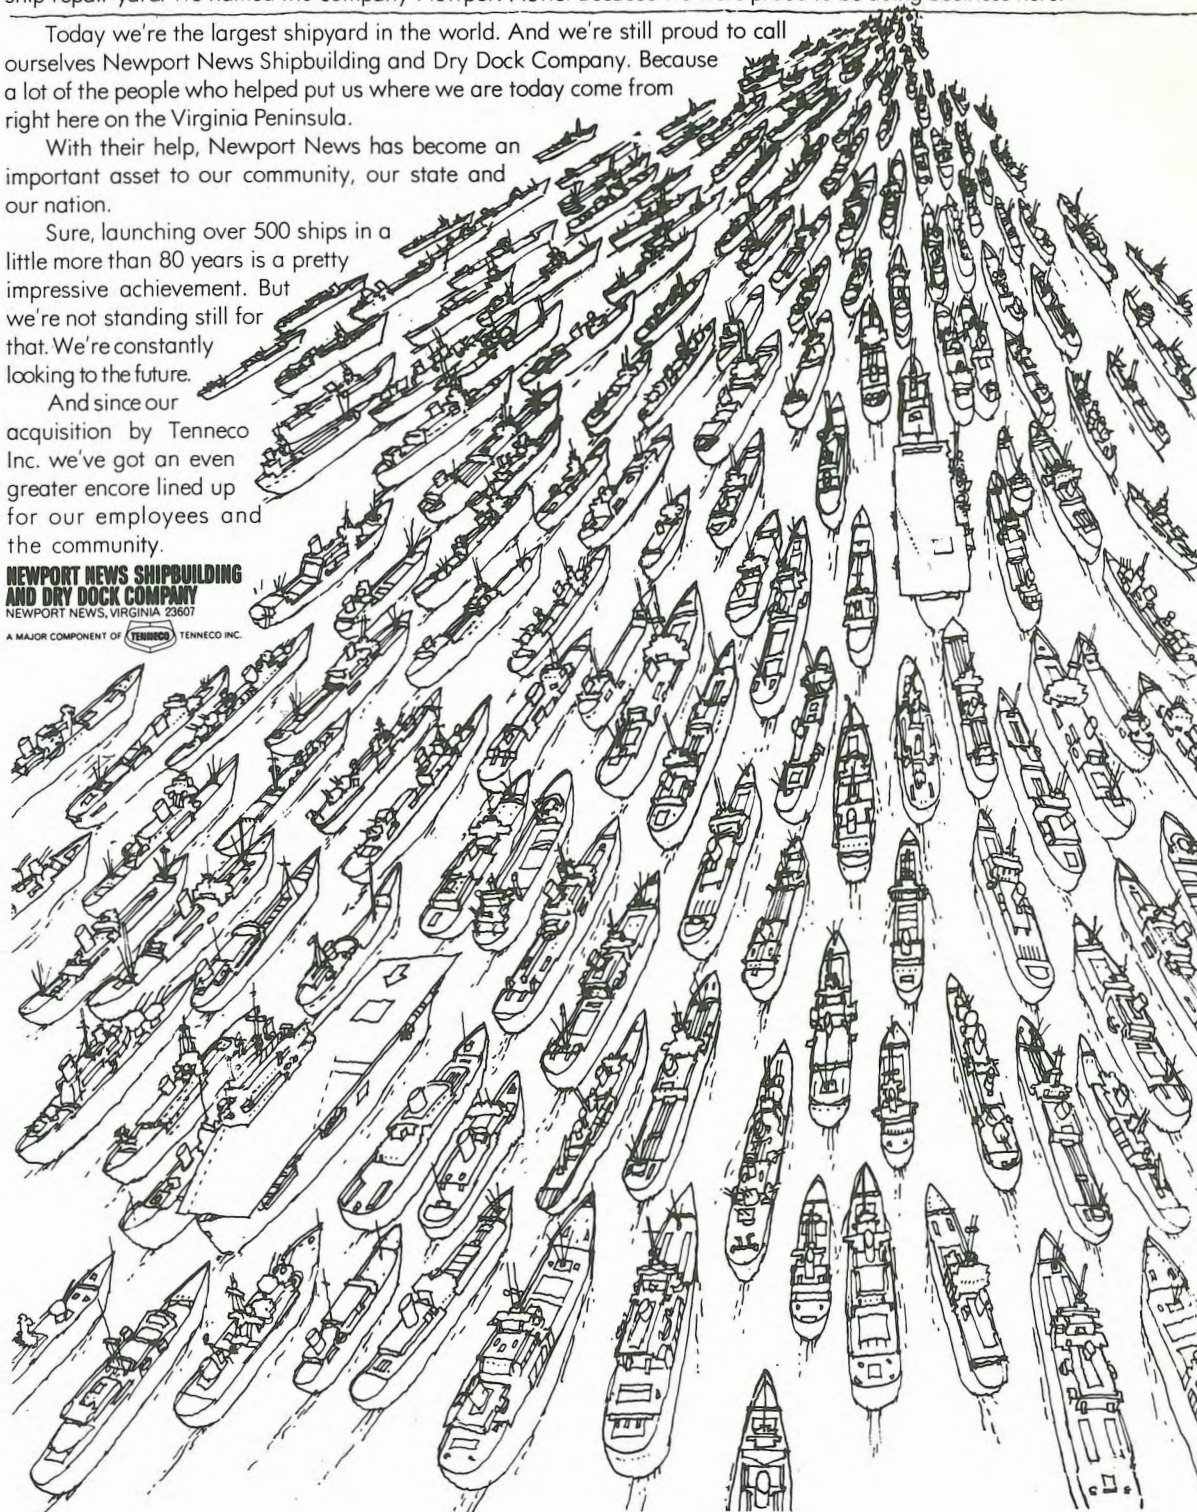

With their help, Newport News has become an important asset to our community, our state and our nation.

Sure, launching over 500 ships in a little more than 80 years is a pretty impressive achievement. But we're not standing still for that. We're constantly looking to the future.

And since our acquisition by Tenneco Inc. we've got an even greater encore lined up for our employees and the community.

Become Involved with YOURSELF

Vacation time is that one time of the year you get the chance to lighten your tasks—brighten your world. The one chance you get to feel at peace with yourself and the rest of the world.

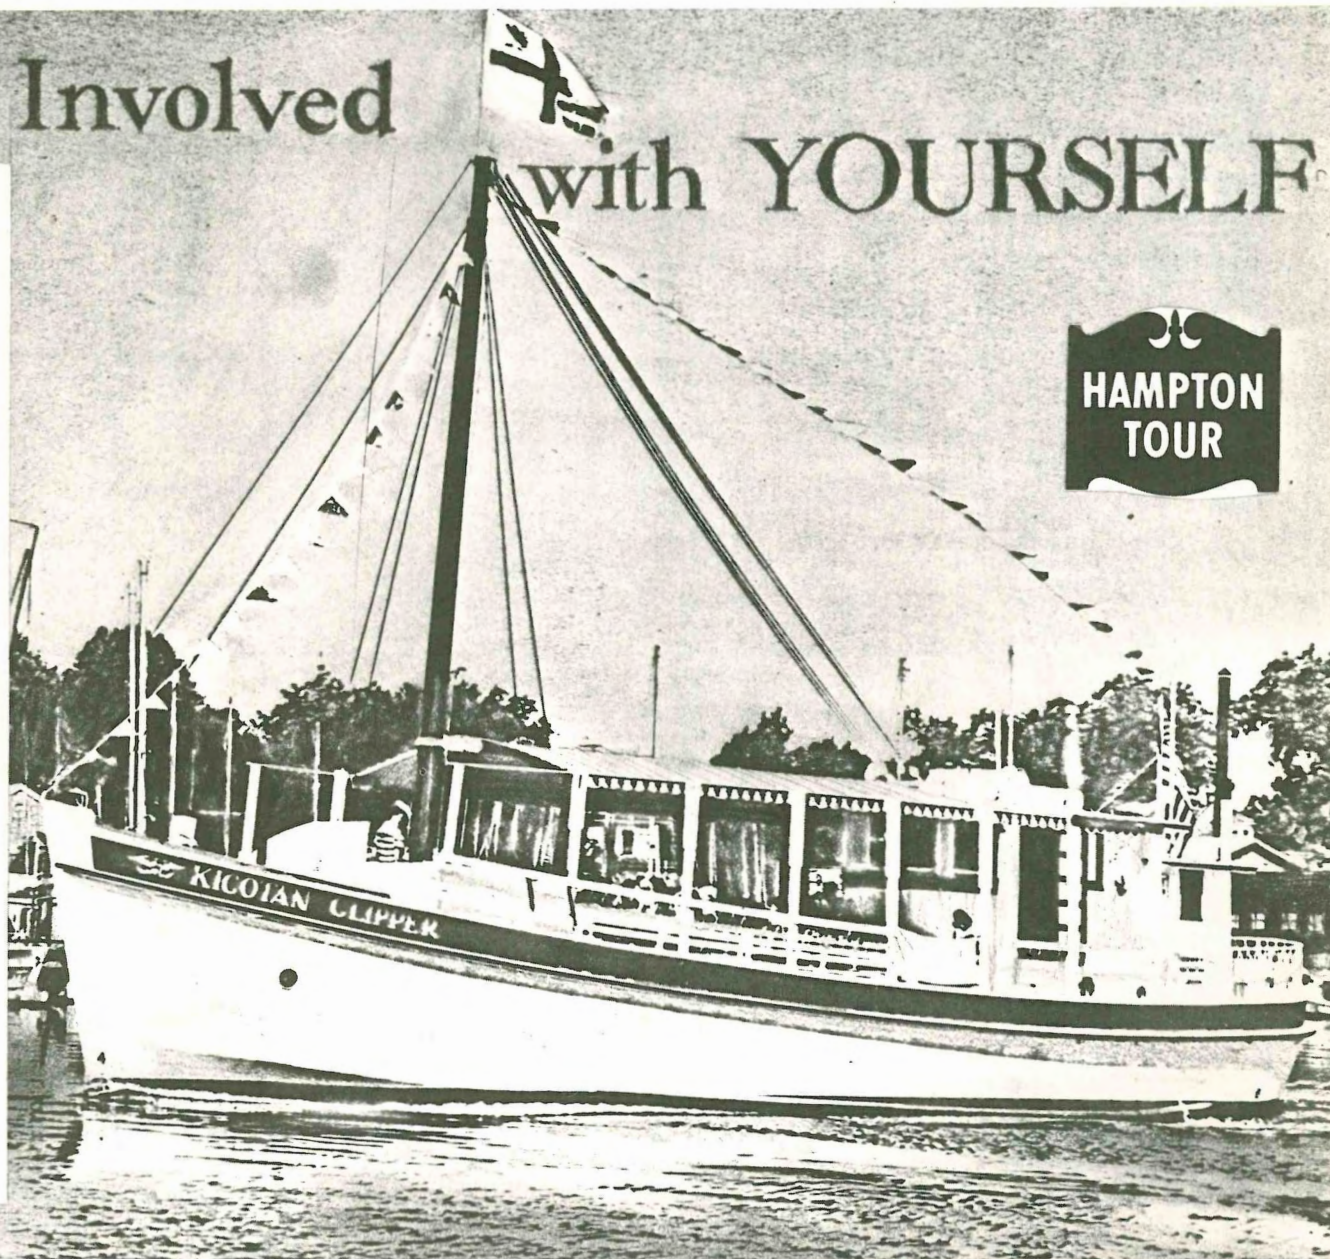

You might want to explore this peace as you walk along the sandy beaches in Hampton, Virginia, thinking your own thoughts and dreaming your own dreams.

Or you may choose to visit the world of tranquility as you quietly cruise along the Hampton Roads Harbor aboard the Kicotan Clipper—Hampton's very own Navy.

No matter how you decide to break away from it all—do it here.
