## Notice to All Hourly Employees & Supervisors of Hourly Employees

Timesheets: Please adhere to the submission schedule on the reverse side of the yellow timesheets. Timesheets are due in the Payroll Office no Later than Noon on the due date. If a timesheet is not received by the deadline it will not be included on the payroll and therefore, the employee will not receive a paycheck on payday! The timesheet will be held in Payroll and included on the next available payroll that is processed. There will normally be no pay advances granted for failure to meet this established deadline.

If you have a timesheet that does not have a schedule on the back there are some available in the Payroll Office.

If the timesheet has more than 39 hours in one calendar week the appropriate Vice President or President must sign before the time can be paid (see Note 1&2 on the timesheet). These signatures are the responsibility of the employee and/or supervisor to obtain before they are received in the Payroll Office. If they have to be taken from the Payroll Office to the VP's Office for signatures and are not received back in Payroll before the deadline, they will not be processed and will be included on the next available payroll.

## Permission to Travel Abroad

Any employee who is planning to travel outside the boundaries of the United States (and its territories), and hopes to receive state funds in full or partial support of the travel or travel-related activities, must receive prior state approval. Dennis Ridley, Assistant to the Vice President for Academic Affairs, is your point of contact for obtaining this permission from the Secretary of Education. You must fill out a one-page form, "Request for Approval of Travel Outside the Boundaries of the U.S. and Its Territories," which is available from the Office of the Vice President for Academic Affairs.

# News and General Information

## England Trip Planned for CNC Music Students

CNC music students will be representing the greater Tidewater area as they travel to the Isle of Wight in England next month to present three programs, a choral tribute to Fred Waring, a liturgical drama, and an evening of chamber opera. The trip has been made possible through generous funding provided by the Isle of Wight, England, Development Board, Isle of Wight County, Virginia, and City of Newport News, and Christopher Newport College. In addition, each student is paying a significant portion of his/her own way.

All three programs, which are musically appealing, will be presented locally next week. You are cordially invited and encouraged to attend them. The Chamber Choir will present the choral tribute to Fred Waring on Wednesday evening, May 20, at 8:15 p.m. in the John W. Gaines Theatre. All of the choral selections on the program are ones that were recorded by Fred Waring with his famous group, "The Pennsylvanians." The Opera Workshop will present the evening of American chamber opera on Friday evening, May 22, at 8:15 p.m. in the John W. Gaines Theatre. The four short pieces included represent contemporary situations and are very funny. They can be enjoyed by all age groups. The Collegium Musicum will present the

medieval liturgical drama, "The Slaying of the Holy Innocents," on Sunday, May 24, at 4:00 p.m. in St. Luke's Shrine in Isle of Wight County and at 7:30 p.m. in Trinity Lutheran Church in Newport News.

All programs except the evening of chamber operas are free. The chamber operas are being presented as a part of our fund raising to help defray the expenses of the trip to England. The admission charge is \$5.00. Your encouragement and support through attendance at these local performances will be greatly appreciated, and you will find the programs entertaining and musically rewarding. Bring the family!
