FACULTY AND STAFF - PLEASE NOTE

LOCK YOUR CAR

The security personnel have reported several instances of theft from cars parked in our parking lots. In every case it has been found that the vehicle was left unlocked by its driver. For your own benefit, make sure that all the doors to your car are locked every time you leave it unattended. Insurance companies normally will not honor a claim for loss unless there is evidence of forced entry. Security personnel have been instructed to apprehend anyone seen tampering with a locked vehicle.

#### OF ACADEMIC INTEREST

TO: Faculty

FROM: T. Musial

SUBJECT: Faculty Recruitment

- (1) President Windsor has confirmed a limited amount of money for purposes of faculty recruitment. Search Committee chairmen who were unable to attend last Wednesday's meeting should check with me for specific details.
- (2) The College intends to fully support the recommendations of the Affirmative Action Committee pertinent to faculty members currently on Temporary and part-time contracts. These recommendations appeared in last week's issue of the CNC Chronicle.
- (3) The Ramada Inn has given the College a reduced rate on accommodations for out-of-town candidates coming to campus for interviews. If any Search Committees wish to take advantage of this offer, reservations should be made through Webber Casey.
